2. Use Part 1 of the Claim Form, entitled "Claimant Identification", to identify each acquirer of record. In addition, if you are NOT the beneficial owner and are filing a Claim Form on behalf of the beneficial owner, please complete the "filer name" field in Part 1 of the "Claimant Identification" section on the first page of the Claim Form. Executors, administrators, guardians, conservators and trustees must complete and sign this claim on behalf of persons or entities represented by them and supporting documentation which provides proof of their authority to submit the claim must accompany this claim and their titles or capacities must be stated. The Administrator may use the Social Insurance Number, Business Number or other unique tax identifier and telephone number of the beneficial purchaser to verify the claim. Failure to provide the foregoing information could delay verification of your claim or result in rejection of the claim.

1. A separate claim must be filed for each account in which Sino-Forest securities were held by a Securities Claimant.
2. A Securities Claimant must provide all requested information with respect to:

Failure by a Securities Claimant to report all such transactions may result in the rejection of their claim.

3. A Securities Claimant must:

  - b. Accurately provide the month, day and year of each transaction listed.

  - d. Indicate whether a proof of claim was filed in the CCAA proceeding, and if so, provide a copy of such proof of claim (see page 10).
4. Brokerage confirmations, contract notes or other documentation of a Securities Claimant's transactions in securities (e.g. month end statement showing transactions, costs and/or proceeds) **must** be attached to a Securities Claimant's Claim Form to support the information provided by a Securities Claimant.
5. The Claims Administrator is requesting the minimum amount of information necessary to process Claims Forms. The Claims Administrator may request additional information as required to efficiently and reliably calculate losses. In some cases where the Claims Administrator cannot perform the calculation accurately or at a reasonable cost with the information provided, the Claim Administrator may conditionally accept the claim pending receipt of additional information.
6. NOTICE REGARDING ELECTRONIC FILES: Securities Claimants with large number of transactions may request, or may be requested, to submit information regarding their transactions electronically.
