

Forget the traditional long and drawn out golf tourney format. Our first Golf Play Day is all about having fun on the greens while raising money for an extraordinary cause.

To join us for nine holes of good times at the beautiful Sunningdale Golf and Country Club on June 19, 2009, fill out and mail us the form on the back side of this brochure to register.

Register today for the not-so-ordinary day of golf for extraordinary people!

On Friday, Aug. 18, 2006, with her mom and grandfather watching helplessly, Taylor fell 40 feet from a tree she was playing in. As she lay on the ground motionless, her grandfather began CPR.

She was rushed to Sarnia General Hospital and then on to Children's Hospital at London Health Sciences Centre. Admitted to the Paediatric Critical Care Unit at Children's, Taylor was in a coma with bruising and fluid on her brain, and a bruised heart and stomach.

After 24 hours, Taylor awoke and was moved to the Children's Inpatient Area. There, over the long days of recovery, she had many visits from doctors, nurses and therapists who helped her get back on her feet again.

Today, thanks to their specialized paediatric skills and amazing care, Taylor is a healthy and spunky teenager.

Join us!

Our first Golf Play Day is a fun, new tourney, dinner and auction to raise funds for Children's Hospital at London Health Sciences Centre's Acquired Brain Injury treatment programs.

The brain injury treatment programs have helped countless children like Taylor who have suffered acquired brain injury (ABI). A child can acquire a brain injury from either traumatic sources such as a motor vehicle collision, fall or a sports injury, or from a non-traumatic source such as stroke or tumours.

The goal of this year's event is to raise enough funds to purchase several pieces of equipment for Children's Hospital such as:

A HILL-ROM BED – This high-tech bed is good for the patient and staff because it helps caregivers mobilize each patient with greater ease. *Approximate cost: \$16,000.*

THREE SPECIALIZED WHEEL CHAIRS – Each of these chairs features cutting-edge technology that assists the most current treatment of children with ABI. *Approximate cost: \$11,000.*

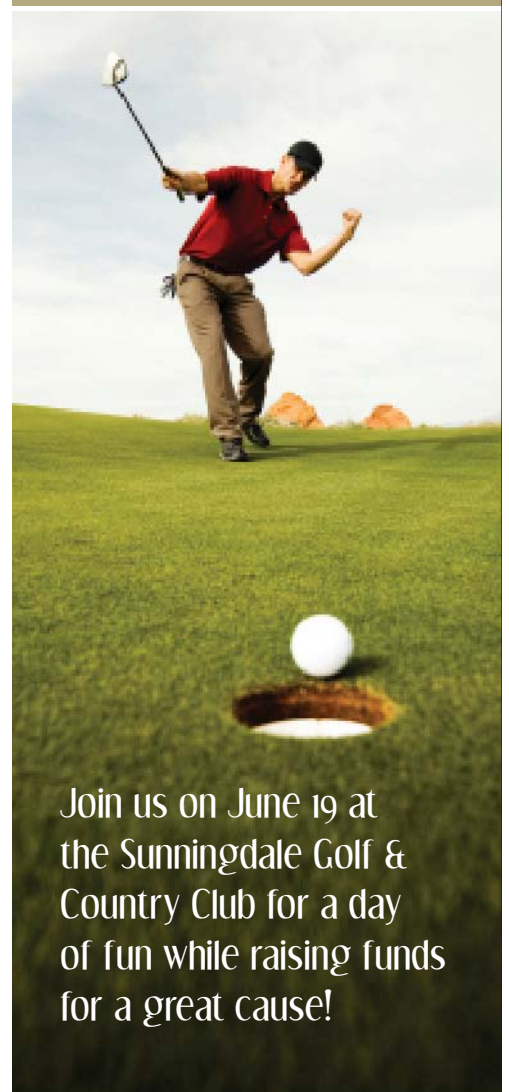

Our live and silent auctions will raise funds to go toward several pieces of equipment for Children's Hospital. Cash donations will also be gratefully accepted.

GOLF PLAY DAY ITINERARY

A full day of fun, entertainment and helping the children.

- 12pm Registration
- 12pm Silent auction tables open
- 12pm Light lunch/snacks
- 1:30pm Nine holes of golf
- 5:30pm Dinner and Live auction (Silent auction closes)

Join us on June 19 at the Sunningdale Golf & Country Club for a day of fun while raising funds for a great cause!

Help Put The FUN In Our New Fundraiser!

The tourney will be a 9-hole Texas scramble format using the full, 18-hole course. Each hole will feature either a traditional or non-traditional competition to allow players of all levels to participate and have some fun.

You can help us make this event a huge success! Funds raised will help improve the lives of children with acquired brain injuries and support the incredible individuals who care for them at Children's Hospital.
