### **SISKINDS GIVES BACK TO THE COMMUNITY BY SPONSORING A NEW SISKINDS PLAYGROUND IN PICCADILLY PARK**

Just over a year ago, a deliberate act of vandalism left the playground area in Piccadilly Park a twisted piece of metal and melted plastic. Since much of what we do at Siskinds is about giving back and being part of a larger community, our Partners made the decision to make a donation on behalf of the Firm to this deserving need. "We wanted to make a donation that would make a difference to children, neighbors and businesses surrounding Piccadilly Park and area for years to come," said Fred Rose, Partner and member of the Siskinds Board of Directors.

Siskinds is thrilled to be involved with this important community initiative. "An outdoor safe play area such as this is critical for children's physical activity and it just happens to be a great space for others to walk through and enjoy," says Mike Peerless, Partner.

We invite you to attend the ribbon cutting ceremony for the ***Siskinds The Law Firm Playground*** at Piccadilly Park. We have extended invitations to our clients and friends to help us celebrate our community and our children by sharing some refreshments, BBQ, good company with others and what we hope will be good weather.

When you choose Siskinds, you're choosing Leaders in Their Field®.
