

Siskinds is Canada's leading Class Action firm. We act for plaintiffs across the Country in virtually all areas of class action law, including competition, consumer rights, securities, human rights and medical devices and pharmaceuticals.

We are currently seeking an excellent litigator who will thrive in our collaborative class actions practice group. This opportunity exists at our Toronto, Ontario office.

We are looking for a lawyer who:

- has 2-4 years of relevant experience;
- is a very strong writer and researcher;
- has excellent analytical and problem solving abilities; and
- is in good standing with the Law Society of Ontario.

We are looking for an enthusiastic lawyer who works well both independently and within our larger team of highly-skilled professionals. The successful candidate will be detail-oriented and organized. Our team is fast-paced and collaborative and the successful candidate should expect considerable responsibility on complex files—and will be a self-starter. We prize excellent writing, creative solutions and an entrepreneurial outlook.

Prior class action experience is an advantage, but is not as important as strong advocacy skills and a commitment to learning.

We offer competitive compensation and benefits. Siskinds is an equal opportunity employer and will accommodate and work with persons with disabilities throughout the entire recruitment, selection, and onboarding process. To learn more about us, please visit our website at www.siskinds.com.

Please email your resume, with "Class Actions Lawyer" and your name in the subject line, to humanresources@siskinds.com. Make sure to include a copy of your law transcripts and references.

Deadline for submissions is **Friday, December 14, 2018**.
