

AUTO PARTS OPT-OUT SUMMARY

Action	Opt-Out Status
Air Conditioning Systems	The time to opt out of the action has passed.
Air Flow Meters	The time to opt out of the action has passed.
Alternators	The time to opt out of the action has passed.
Anti-Vibration Rubber Parts	The time to opt out of the action has passed.
Autolights	The time to opt out of the action has passed.
Automatic Transmission Fluid Warmers and Oil Coolers	The time to opt out of the action has passed.
Automotive Brake Hoses	The time to opt out of the action has passed.
Automotive Exhaust Systems	The time to opt out of the action has passed.
Automotive Hoses	The time to opt out of the action has passed.
Automotive Steel Tubes	The time to opt out of the action has passed.
Ball Bearings	The time to opt out of the action has passed.
Body Sealing Products	The time to opt out of the action has passed.
Braking Systems	The time to opt out of the action has passed.
Ceramic Substrates	The time to opt out of the action has passed.
Constant Velocity Joint Boots	The time to opt out of the action has passed.
Electric Powered Steering Assemblies	The time to opt out of the action has passed.
Electronic Control Units	The time to opt out of the action has passed.
Electronic Throttle Bodies	The time to opt out of the action has passed.
Fan Motors	The time to opt out of the action has passed.
Fuel Injection Systems	The time to opt out of the action has passed.
Fuel Senders	The time to opt out of the action has passed.
Heater Control Panels	The time to opt out of the action has passed.
High Intensity Discharge Ballasts	The time to opt out of the action has passed.
Ignition Coils	The time to opt out of the action has passed.
Instrument Panel Clusters	The time to opt out of the action has passed.
Inverters	The time to opt out of the action has passed.
Manual Steering Columns	The time to opt out of the action has passed.
Motor Generators	The time to opt out of the action has passed.
Occupant Safety Systems	The time to opt out of the action has passed.
Oxygen Sensors	The time to opt out of the action has passed.
Plastic Interior Trim	The time to opt out of the action has passed
Power Window Motors	The time to opt out of the action has passed.
Power Window Switches	The opt-out period has not run yet.
Radiators	The time to opt out of the action has passed.
Shock Absorbers	The time to opt out of the action has passed.
Spark Plugs	The time to opt out of the action has passed.
Starters	The time to opt out of the action has passed.
Steering Angle Sensors	The time to opt out of the action has passed.
Switches	The time to opt out of the action has passed.

Action	Opt-Out Status
Windshield Washer Systems	The time to opt out of the action has passed.
Windshield Wiper Systems	The time to opt out of the action has passed.
Wire Harness Systems	The time to opt out of the action has passed.
