

AUTO PARTS OPT-OUT SUMMARY

Action	Opt-Out Status
Air Conditioning Systems	The time to opt out of the action has passed.
Air Flow Meters	The time to opt out of the action has passed.
Alternators	The time to opt out of the action has passed.
Anti-Vibration Rubber Parts	The time to opt out of the action has passed.
Autolights	The time to opt out of the action has passed.
Automatic Transmission Fluid Warmers and Oil Coolers	The time to opt out of the action has passed.
Automotive Brake Hoses	The time to opt out of the action has passed.
Automotive Exhaust Systems	The time to opt out of the action has passed.
Automotive Hoses	The time to opt out of the action has passed.
Automotive Steel Tubes	Currently running – requests to opt-out must be post-marked by October 5, 2020.
Ball Bearings	Currently running – requests to opt-out must be post-marked by October 5, 2020.
Body Sealing Products	The time to opt out of the action has passed.
Braking Systems	The opt-out period has not run yet.
Ceramic Substrates	The time to opt out of the action has passed.
Constant Velocity Joint Boots	Currently running – requests to opt-out must be post-marked by October 5, 2020.
Electric Powered Steering Assemblies	The time to opt out of the action has passed.
Electronic Control Units	The time to opt out of the action has passed.
Electronic Throttle Bodies	The time to opt out of the action has passed.
Fan Motors	The time to opt out of the action has passed.
Fuel Injection Systems	The time to opt out of the action has passed.
Fuel Senders	The time to opt out of the action has passed.
Heater Control Panels	The time to opt out of the action has passed.
High Intensity Discharge Ballasts	The time to opt out of the action has passed.
Ignition Coils	The time to opt out of the action has passed.
Instrument Panel Clusters	The time to opt out of the action has passed.
Inverters	The time to opt out of the action has passed.
Manual Steering Columns	The opt-out period has not run yet.
Motor Generators	The time to opt out of the action has passed.
Occupant Safety Systems	The time to opt out of the action has passed.
Oxygen Sensors	The time to opt out of the action has passed.
Plastic Interior Trim	Currently running – requests to opt-out must be post-marked by October 5, 2020. ¹
Power Window Motors	The time to opt out of the action has passed.
