- (f) electronic copies of transcripts and video recordings of all depositions or other testimony of current or former employees, officers or directors of the Releasees, including all exhibits thereto, taken in the U.S. Litigation, and any pre-existing translations into English. If transcripts or video recordings become available more than sixty (60) days from the Certification Date, such transcripts or video recordings shall be provided within thirty (30) days of becoming available. The transcripts or video recordings shall be delivered as a separate production from the documents to be delivered pursuant to Section 4.1(4)(c) or identified by bates number as part of the production of documents to be delivered pursuant to Section 4.1(4)(c);
- (g) electronic copies of any declarations or affidavits of current or former employees, officers or directors of the Releasees, including all exhibits thereto, taken in the

U.S. Litigation, and any pre-existing translations into English. If declarations or affidavits become available more than thirty (30) days from the Certification Date, such declarations or affidavits shall be provided within ten (10) days of becoming available. The declarations and affidavits shall be delivered as a separate production from the documents to be delivered pursuant to Section 4.1(4)(c) or identified by bates number as part of the production of documents to be delivered pursuant to Section 4.1(4)(c);

- (h) electronic copies of any responses to written interrogatories by the Releasees, including all schedules thereto, taken in the U.S. Litigation, and any pre-existing translations into English. - (i) electronic copies of any responses to requests to admit provided by the Releasees in the U.S. Litigation and any pre-existing translations into English. - (j) the identity of all current and former employees, directors and officers of the Releasees who:

  - (iii) were disclosed to the U.S. Department of Justice as having knowledge or information relating to the U.S. Department of

Justice's investigation into alleged antitrust violations with respect to the Alleged Parts; and

- (k) after conducting a reasonable search, the Settling Defendants shall provide a list to the best of its knowledge of Automotive Vehicles sold in Canada between January 1, 2000 and the Date of Execution that contain Ignition Coils and/or Valve Timing Control Devices manufactured or sold by the Settling Defendants.
- (5) The obligation to produce documents pursuant to Section 4.1(4) shall be a continuing obligation to the extent additional documents listed in Section 4.1(4) are identified by Settling Defendants following the initial productions pursuant to this Settlement Agreement.
- (6) As to additional documents and transactional sales and costs data in the Settling Defendants' possession, custody, or control concerning the Alleged Parts, the Settling Defendants will consider in good faith any reasonable request by the Plaintiffs to collect and produce such documents and data, provided the request would not impose an undue burden on the Settling Defendants. To the extent the Settling Defendants provide transactional sales and costs data pursuant to this Section, the Settling Defendants agree to provide to Class Counsel reasonable assistance in understanding the transactional data produced by the Settling Defendants, through Counsel for the Settling Defendants, including a reasonable number of written and/or telephonic communications with Class Counsel and/or the Plaintiffs' experts and between technical personnel.
- (7) The Settling Defendants shall not object to the Plaintiffs' participation in any evidentiary proffers and/or interviews of the Settling Defendants' representatives that occur in the U.S. Litigation pursuant to the U.S. Settlement Agreements. The Settling Defendants shall, where possible, provide notice to Class Counsel thirty (30) days before any proffer or interview of representatives of the Settling Defendants that occurs in the U.S. Litigation pursuant to the U.S. Settlement Agreements.
- (8) It is understood that the proffers and/or interviews of witnesses described in Section 4.1(7) might take place before the Effective Date. In such event:

- (a) any documents or information provided in the course of those proffers and/or interviews shall be subject to the terms and protections of this Settlement Agreement; and
  - (b) in the event that this Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason, the documents and information provided during the proffers and/or interviews shall not be used by the Plaintiffs or Class Counsel, whether directly or indirectly, in any way for any reason, including, without limitation, against the Settling Defendants as an admission or evidence of any violation of any statute or law, or of any liability or wrongdoing by the Settling Defendants or of the truth of any claims or allegations in the Proceedings and the Related Action, and such information shall not be discoverable by any Person or treated as evidence of any kind, unless otherwise ordered by a Court. In order to give effect to this agreement, Class Counsel agrees to make reasonable efforts to return all copies of any documents received during, and destroy all copies of any notes taken during (or subsequent reports provided about), these evidentiary proffers and/or interviews and to provide written confirmation to the Settling Defendants of having done so.
- (9) Subject to the rules of evidence, any Court order with respect to confidentiality and the other provisions of this Settlement Agreement, the Settling Defendants agree to use reasonable efforts (which shall not include disciplining or terminating the employee) to produce at trial or otherwise in the Proceedings or the Related Action (including through affidavit evidence) no more than two (2) representatives qualified to establish for admission into evidence (i) the Settling Defendants' transactional sales and/or costs data provided pursuant to Sections 4.1(4)(a) and Section 4.1(5); (ii) any of the Settling Defendants' documents provided as cooperation pursuant to Sections 4.1(4), 4.1(5), and 4.1(6) of this Settlement Agreement that is reasonable and necessary for the prosecution of the Proceedings or the Related Action (with Class Counsel using its best efforts to authenticate documents for use at trial or otherwise without use of a live witness); and (iii) information provided in cooperation pursuant to Section 4 of this Settlement Agreement, provided that Class Counsel shall use all reasonable efforts to limit the number of witnesses and to the extent reasonably possible, a single witness will be used both to authenticate documents and provide the information at trial or otherwise contemplated by this Section in any Proceeding or the

Related Action. The failure of a specific officer, director or employee to agree to make him or herself available, or to otherwise cooperate with the Plaintiffs, shall not constitute a violation of this Settlement Agreement. If the representative is required to travel outside his/her country of residence for the purpose of fulfilling the Settling Defendants' obligations under this Section, Class Counsel shall be responsible for the reasonable travel expenses of such representative in connection with fulfilling these obligations. In addition, Class Counsel shall be responsible for the costs of an interpreter or otherwise related to foreign language translation in connection with fulfilling these obligations.

(10) Nothing in this Settlement Agreement shall be construed to require the Settling Defendants to perform any act, including the transmittal or disclosure of any information, which would violate the law of this or any jurisdiction.

(11) Nothing in this Settlement Agreement shall require, or shall be construed to require, the Settling Defendants or any representative or employee of the Settling Defendants to disclose or produce any documents or information prepared by or for Counsel for the Settling Defendants, or that is not within the possession, custody or control of the Settling Defendants, or to disclose or produce any documents or information in breach of any order, regulatory directive, rule or law of this or any jurisdiction, or subject to solicitor-client privilege, litigation privilege, joint defence privilege or any other privilege, doctrine, or law, or to disclose or produce any information or documents they obtained on a privileged or co-operative basis from any party to any action or proceeding who is not a Releasee. The Settling Defendants are not required to create a privilege log. However, if a relevant privilege log was created in the context of the U.S. Litigation, the Settling Defendants will provide Class Counsel with a copy of such log delivered as a separate production from the documents to be delivered pursuant to Section 4.1(4)(c) or identified by bates number as part of the production of documents to be delivered pursuant to Section 4.1(4)(c).

(12) If any documents protected by any privilege and/or any privacy law or other rule or law of this or any applicable jurisdiction are accidentally or inadvertently disclosed or produced, such documents shall be promptly returned to the Settling Defendants and the documents and the information contained therein shall not be disclosed or used directly or indirectly, except with the express written permission of the Settling Defendants, and the production of such documents shall

in no way be construed to have waived in any manner any privilege, doctrine, law, or protection attached to such documents.

(13) The Settling Defendants' obligations to cooperate as particularized in this Section shall not be affected by the release provisions contained in Section 6 of this Settlement Agreement. Unless this Settlement Agreement is not approved, is terminated or otherwise fails to take effect for any reason, the Settling Defendants' obligations to cooperate shall cease at the date of final judgment in the Proceedings and the Related Action against all Defendants or all Defendants in the Proceedings and the Related Action settle with the Plaintiffs and those settlements become effective in accordance with their terms. For greater certainty, the Plaintiffs' failure to strictly enforce any of the deadlines for the Settling Defendants to provide cooperation pursuant to this Section 4.1 is not a waiver of the cooperation rights granted by Section 4.1.

(14) Subject to Sections 4.1(15) and 4.1(16), the provisions set forth in this Section 4.1 are the exclusive means by which the Plaintiffs, Class Counsel and Settlement Class Members may obtain discovery or information or documents from the Releasees. The Plaintiffs, Class Counsel and Settlement Class Members agree that they shall not pursue any other means of discovery against, or seek to compel the evidence of, the Releasees, whether in Canada or elsewhere and whether under the rules or laws of this or any other Canadian or foreign jurisdiction.

(15) The Plaintiffs may exercise any rights they have to seek to obtain discovery in the Proceedings and the Related Action as against an officer, director and/or employee of the Settling Defendants put forward to provide testimony at trial or otherwise pursuant to Section 4.1(9), if the current or former officer, director or employee of the Settling Defendants fails to cooperate in accordance with that Section and the provisions of this Settlement Agreement.

(16) In the event that the Settling Defendants materially breach this Section 4.1, the Plaintiffs may move before the Court to enforce the terms of this Settlement Agreement, seek an order setting aside Section 4.1(13) and allowing the Plaintiffs to obtain discovery or information from the Settling Defendants as if the Settling Defendants remained parties to the Valve Timing Control Device Proceeding or were parties to the Related Action, or seek such other remedy that is available at law.

(17) A material factor influencing the Settling Defendants' decision to execute this Settlement Agreement is their desire to limit the burden and expense of this litigation. Accordingly, Class Counsel agree to exercise good faith in seeking cooperation from the Settling Defendants, agree not to seek information that is unnecessary, cumulative or duplicative and agree otherwise to avoid imposing undue or unreasonable burdens or expense on the Settling Defendants.

(18) The scope of the Settling Defendants' cooperation under this Settlement Agreement shall be limited to the allegations asserted in the Proceedings and the Related Action as presently filed.

(19) The Settling Defendants make no representation regarding and shall bear no liability with respect to the accuracy of any of the documents or information described in this Section 4.1, or that they have, can or will produce a complete set of any of the documents or information described in this Section 4.1, and the failure to do so shall not constitute a breach or violation of this Settlement Agreement.

#### **4.2 Limits on Use of Documents and Information**

(1) It is understood and agreed that all documents and information made available or provided by the Settling Defendants and/or Counsel for the Settling Defendants to the Plaintiffs and Class Counsel under this Settlement Agreement shall be used only in connection with the prosecution of the claims in the Proceedings and the Related Action, and shall not be used directly or indirectly for any other purpose, except to the extent that the documents or information were, are, or become publicly available. The Plaintiffs and Class Counsel agree they will not disclose the documents and information provided by the Settling Defendants and/or Counsel for the Settling Defendants beyond what is reasonably necessary for the prosecution of the Proceedings and the Related Action or as otherwise required by law, except to the extent that the documents or information were, are, or become publicly available. Subject to the foregoing, Class Counsel shall take reasonable precautions to ensure and maintain the confidentiality of such documents and information, and of any work product of Class Counsel that discloses such documents and information. Notwithstanding the foregoing, Class Counsel may disclose such information and documents to Camp Fiorante Matthews Mogerman LLP and/or Siskinds Desmeules s.e.n.c.r.l, as applicable, to the extent that Camp Fiorante Matthews Mogerman LLP and/or Siskinds Desmeules s.e.n.c.r.l are assisting Class Counsel in the prosecution of those Proceedings and the Related Action, and Camp Fiorante Matthews Mogerman LLP and/or Siskinds Desmeules s.e.n.c.r.l agree to keep such

information and documents confidential and only use such information and documents for the purpose of providing such assistance.

(2) If the Plaintiffs intend to produce or file in any of the Proceedings or the Related Action, any documents or other information provided by the Settling Defendants and/or Counsel for the Settling Defendants as cooperation under the Settlement Agreement (and such disclosure is not otherwise prohibited by the Settlement Agreement) which, at the time of being provided, were marked or designated by the Settling Defendants as “Confidential – Subject to Procedure Under Section 4.2 of the Settlement Agreement,” and there is not already a confidentiality order issued in the relevant Proceeding or the Related Action that applies to the documents and information provided as cooperation by the Settling Defendants, Class Counsel shall provide the Settling Defendants with an advance description of the documents or other information sought to be produced or filed at least thirty (30) days in advance of the proposed production or filing, in order that the Settling Defendants may move to obtain a sealing or confidentiality order or similar relief. If, within the thirty (30) day period, a Settling Defendant does not so move, the Plaintiffs and Class Counsel can produce or file the information or documents in the ordinary course. If, within that thirty (30) day period, a Settling Defendant so moves, the Plaintiffs and Class Counsel shall not produce or file the confidential information or documents until the Settling Defendant’s motion has been decided and all applicable appeal periods have expired, except as follows. Pending the resolution of the motion(s), the Plaintiffs and Class Counsel may, so as not to delay prosecution of the relevant Proceeding or Related Action, (i) file such documents or information with the relevant Court in sealed envelopes or other appropriate containers, segregated from the public record, endorsed with the title of the Proceeding and the following statement: “This envelope/box/container containing documents which are filed by [name of Party] and subject to a pending confidentiality motion is not to be opened nor the contents thereof to be displayed or revealed to any non-Court personnel except by order of the Court” and such records shall not form part of the public record in the relevant Proceeding except upon order of the relevant Court or by agreement of all Parties and/or the Settling Defendant whose confidential information is contained therein; and (ii) provide, on an interim basis, documents or information to counsel for the Non-Settling Defendants provided that counsel for the Non-Settling Defendants agree and give assurances that, until the Settling Defendant’s motion has been decided and all applicable appeal periods have expired, the documents or information will remain with external counsel and will

only be disclosed to independent expert(s) retained by a Party for the purposes of the relevant Proceeding or the Related Action, as well as secretarial, clerical or other support personnel of such expert(s) to whom disclosure is reasonably necessary. An independent expert may not be an employee of a Plaintiff or Defendant in the relevant Proceeding or the Related Action, or a competitor of the Settling Defendants. In addition, if a Settling Defendant intervenes for this purpose, the Plaintiffs and Class Counsel shall not oppose a motion to intervene made by the Settling Defendants for this purpose, provided that the form and content of the requested order is similar in substance to the order issued by the Ontario Court in Ontario Superior Court of Justice Court File No. CV-12-44673700CP, dated July 15, 2015.

(3) In the event that a Person requests disclosure of documents or information provided by the Settling Defendants as cooperation under this Settlement Agreement which, at the time of being provided, were marked or designated by the Settling Defendants as “Confidential — Subject to Procedure Under Section 4.2(2) of the Settlement Agreement”, whether or not the Person applies for an order requiring the Plaintiffs to disclose or produce any documents or other information, and there is not already a confidentiality order issued in the relevant Proceeding or the Related Action that applies to the documents and information provided as cooperation by the Settling Defendants, Class Counsel shall provide notice to the Settling Defendants promptly upon becoming aware of it in order that the Settling Defendants may intervene to oppose such disclosure or production. In no circumstances shall the Plaintiffs or Class Counsel apply for or consent to such an application for disclosure or production. The Plaintiffs and Class Counsel shall not disclose the confidential information or documents until the Settling Defendants’ motion has been decided and a final order has been issued requiring the Plaintiffs and/or Class Counsel to produce the relevant information or documents, except: (i) to the extent such information or documents are or become otherwise publicly available; (ii) as ordered to do so by a Court; or (iii) in the event that the Person making the request is a Non-Settling Defendant, so as not to delay prosecution of the relevant Proceeding(s) or the Related Action, Class Counsel may provide, on an interim basis, documents or information to counsel for the Non-Settling Defendants provided that counsel for the Non-Settling Defendants agree and give assurances that, until a final order has been issued required the Plaintiff and/or Class Counsel to produce the relevant information or documents, all applicable appeal periods have expired, the documents or information will remain with external counsel and will only be disclosed to independent expert(s) retained by a Party for the purposes of

the relevant Proceeding or the Related Action, as well as secretarial, clerical or other support personnel of such expert(s) to whom disclosure is reasonably necessary. An independent expert may not be an employee of a Plaintiff or Defendant in the relevant Proceeding or the Related Action or a competitor of the Settling Defendants.

(4) In addition, until such a time as a confidentiality order is in place in one or more Proceedings or the Related Action that applies to the documents and information provided as cooperation by the Settling Defendants and except as otherwise provided for in this Section 4.2, Class Counsel shall treat any documents received from the Settling Defendants and designated as Confidential or Highly Confidential in accordance with the provisions of the U.S. Protective Order. Once a confidentiality or protective order(s) is issued in one or more Proceedings or the Related Action, that order(s) shall govern any documents and information received from the Settling Defendants in that Proceeding(s).

## **SECTION 5- TERMINATION OF SETTLEMENT AGREEMENT**

### **5.1 Right of Termination**

- (1) In the event that:
- (a) the Court declines to certify the relevant Proceedings for the purposes of the Settlement Agreement;
  - (b) the Court declines to dismiss a Proceeding as against the Named Settling Defendants;
  - (c) the Court declines to approve this Settlement Agreement or any material part, or approves this Settlement Agreement in a materially modified form;
  - (d) the Court issues a settlement approval order that is materially inconsistent with the terms of the Settlement Agreement or not substantially in the form attached to this Settlement Agreement as Schedule D and Schedule E; or
  - (e) any order approving this Settlement Agreement made by the Court does not become a Final Order;

the Plaintiffs and the Settling Defendants shall each have the right to terminate this Settlement Agreement by delivering a written notice pursuant to Section 14.17, within thirty (30) days following an event described above.

(2) In addition, if the Settlement Amount is not paid in accordance with Section 3.1(1), the Plaintiffs shall have the right to terminate this Settlement Agreement by delivering a written notice pursuant to Section 14.17 or move before the Court to enforce the terms of this Settlement Agreement.

(3) Except as provided for in Section 5.4, if the Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason, the Settlement Agreement shall be null and void and have no further force or effect, and shall not be binding on the Parties, and shall not be used as evidence or otherwise in any litigation or in any other way for any reason.

(4) Any order, ruling or determination made or rejected by the Court with respect to:

- (a) Class Counsel Fees or Class Counsel Disbursements; or
- (b) the Distribution Protocol

shall not be deemed to be a material modification of all, or a part, of this Settlement Agreement and shall not provide any basis for the termination of this Settlement Agreement.

## **5.2 If Settlement Agreement is Terminated**

(1) If this Settlement Agreement is not approved, is terminated in accordance with its terms or otherwise fails to take effect for any reason:

- (a) no motion to certify any of the Proceedings as class proceedings on the basis of this Settlement Agreement, or to approve this Settlement Agreement, which has not been decided, shall proceed;
- (b) the Parties will cooperate in seeking to have any issued order(s) certifying the Proceedings as class proceedings on the basis of the Settlement Agreement or approving this Settlement Agreement set aside and declared null and void and of no force or effect, and any Person shall be estopped from asserting otherwise;

- (c) any prior certification of a Proceeding as a class proceeding on the basis of this Settlement Agreement, including the definitions of the Settlement Classes and the Common Issues pursuant to this Settlement Agreement, shall be without prejudice to any position that any of the Parties or Releasees may later take on any issue in the Proceedings, the Related Action, or any Other Actions or other litigation; and
- (d) within ten (10) days of such termination having occurred, Class Counsel shall make reasonable efforts to destroy all documents or other materials provided by the Settling Defendants and/or Counsel for the Settling Defendants under this Settlement Agreement or containing or reflecting information derived from such documents or other materials received from the Settling Defendants and/or Counsel for the Settling Defendants and, to the extent Class Counsel has disclosed any documents or information provided by the Settling Defendants and/or Counsel for the Settling Defendants to any other Person, shall make reasonable efforts to recover and destroy such documents or information. Class Counsel shall provide Counsel for the Settling Defendants with a written certification by Class Counsel of such destruction. Nothing contained in this Section 5.2 shall be construed to require Class Counsel to destroy any of their work product. However, any documents or information provided by the Settling Defendants and/or Counsel for the Settling Defendants, or received from the Settling Defendants and/or Counsel for the Settling Defendants in connection with this Settlement Agreement, may not be disclosed to any Person in any manner or used, directly or indirectly, by Class Counsel or any other Person in any way for any reason, without the express prior written permission of the relevant Settling Defendants. Class Counsel shall take appropriate steps and precautions to ensure and maintain the confidentiality of such documents, information and any work product of Class Counsel derived from such documents or information.

### **5.3 Allocation of Settlement Amount Following Termination**

- (1) If the Settlement Agreement is not approved, is terminated or otherwise fails to take effect for any reason, Class Counsel shall, within thirty (30) days of the written notice pursuant to Section 5.1(1), return to the Settling Defendants the amount they have paid to Class Counsel, plus all

accrued interest thereon, but less the Settling Defendants' proportional share of the costs of notices required by Section 10.1(1) and any translations required by Section 14.11.

#### **5.4 Survival of Provisions After Termination**

(1) If this Settlement Agreement is not approved, is terminated or otherwise fails to take effect for any reason, the provisions of Sections 3.1(8), 3.2(3), 4.1(8)(b), 5.1(3), 5.2, 5.3, 5.4, 8.1, 8.2, 10.1(2) and 11.2(4), and the definitions and Schedules applicable thereto shall survive the termination and continue in full force and effect. The definitions and Schedules shall survive only for the limited purpose of the interpretation of Sections 3.1(8), 3.2(3), 4.1(8)(b), 5.1(3), 5.2, 5.3, 5.4, 8.1, 8.2, 10.1(2) and 11.2(4) within the meaning of this Settlement Agreement, but for no other purposes. All other provisions of this Settlement Agreement and all other obligations pursuant to this Settlement Agreement shall cease immediately.

### **SECTION 6 – RELEASES AND DISMISSALS**

#### **6.1 Release of Releasees**

(1) Upon the Effective Date, subject to Section 6.3, and in consideration of payment of the Settlement Amount and for other valuable consideration set forth in the Settlement Agreement, the Releasers forever and absolutely release and forever discharge the Releasees from the Released Claims that any of them, whether directly, indirectly, derivatively, or in any other capacity, ever had, now have, or hereafter can, shall, or may have.

(2) The Plaintiffs and Settlement Class Members acknowledge that they may hereafter discover facts in addition to, or different from, those facts which they know or believe to be true regarding the subject matter of the Settlement Agreement, and it is their intention to release fully, finally and forever all Released Claims and, in furtherance of such intention, this release shall be and remain in effect notwithstanding the discovery or existence of additional or different facts.

(3) The releases granted pursuant to this Section 6.1 shall be deemed complete releases only as regards to the Releasees pursuant to article 1687 of the *Civil Code of Quebec* and shall inure only to the benefit of the Releasees and shall not preclude, foreclose or otherwise limit the rights of Settlement Class Members who are residents of Quebec against the Non-Settling Defendants or unnamed alleged co-conspirators that are not Releasees.

## **6.2 Covenant Not to Sue**

(1) Upon the Effective Date, and notwithstanding Section 6.1, for any Settlement Class Members resident in any province or territory where the release of one tortfeasor is a release of all other tortfeasors, the Releasors do not release the Releasees but instead the Releasors covenant and undertake not to make any claim in any way or to threaten, commence, participate in or continue any proceeding in any jurisdiction against the Releasees in respect of or in relation to the Released Claims. For greater certainty, Section 6.1(3) continues to apply to residents of Quebec.

## **6.3 No Further Claims**

(1) Upon the Effective Date, each Releasor shall not now or hereafter institute, continue, maintain, intervene in or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other Person, any proceeding, cause of action, claim or demand against any Releasee, or any other Person who may claim contribution or indemnity, or other claims over relief, from any Releasee, whether pursuant to the *Negligence Act*, RSO 1990, c N 1 or other legislation or at common law or equity in respect of any Released Claim, except for the continuation of the Proceedings and the Related Action against the Non-Settling Defendants or named or unnamed co-conspirators that are not Releasees or, if the Proceedings or the Related Action are not certified as class proceedings with respect to the Non-Settling Defendants, the continuation of the claims asserted in any of the Proceedings or the Related Action on an individual basis or otherwise against any Non-Settling Defendant or named or unnamed co-conspirator that is not a Releasee. For greater certainty and without limiting the generality of the foregoing, the Releasors shall not assert or pursue a Released Claim, against any Releasee under the laws of any foreign jurisdiction.

## **6.4 Dismissal of the Proceedings**

(1) Upon the Effective Date, the Proceedings shall be dismissed with prejudice and without costs as against the Named Settling Defendants.

## **6.5 Dismissal of Other Actions**

(1) Upon the Effective Date, each member of the Settlement Classes shall be deemed to irrevocably consent to the dismissal, without costs, with prejudice and without reservation, of his,

her or its Other Actions against the Releasees, to the extent such Other Actions relate to the Alleged Parts.

(2) Upon the Effective Date, all Other Actions commenced in Ontario by any Settlement Class Member (except residents of Quebec), to the extent such Other Actions relate to the Alleged Parts, shall be dismissed as against the Releasees, without costs, with prejudice and without reservation.

(3) Upon the Effective Date, Settlement Class Members who are residents of Quebec, with the exception of those deemed excluded under Article 580(2) of the *Code of Civil Procedure*, who makes a claim under this Settlement Agreement shall be deemed to irrevocably consent to the dismissal, without costs and without reservation, of his, her or its Other Actions against the Releasees, to the extent such Other Actions relate to the Alleged Parts.

## **6.6 Material Term**

(1) The releases, covenants, dismissals, and granting of consent contemplated in this Section shall be considered a material term of the Settlement Agreement and the failure of the Court to approve the releases, covenants, dismissals, and granting of consent contemplated herein shall give rise to a right of termination pursuant to Section 5.1 of the Settlement Agreement.

## **SECTION 7 – BAR ORDER AND RESERVATION OF OTHER CLAIMS**

### **7.1 Bar Order**

- (1) Class Counsel shall seek a bar order from the Court providing for the following:
- (a) to the extent such claims are recognized at law, all claims for contribution, indemnity or other claims over, whether asserted, unasserted or asserted in a representative capacity, inclusive of interest, taxes and costs, relating to the Released Claims, which were or could have been brought in the Proceedings, the Related Action, or any Other Actions, or otherwise, by any Non-Settling Defendant, any named or unnamed co-conspirator that is not a Releasee, any Settled Defendant or any other Person or party against a Releasee, or by a Releasee against any Non-Settling Defendant, any named or unnamed co-conspirator that is not a Releasee, any Settled Defendant, or any other Person or party, are barred, prohibited and enjoined in accordance with the terms of this Section 7.1 (unless such claim is made

in respect of a claim by a Person who validly opted-out of the Valve Timing Control Device Proceeding or the Related Action);

(b) if the Court ultimately determines that a claim for contribution and indemnity or other claim over, whether in equity or in law, by statute or otherwise is a legally recognized claim:

(i) the Plaintiffs and the Settlement Class Members shall not be entitled to claim or recover from the Non-Settling Defendants and/or named or unnamed co-conspirators and/or any other Person or party that is not a Releasee that portion of any damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigative costs claimed pursuant to section 36 of the *Competition Act*, RSC 1985, c C 34) that corresponds to the Proportionate Liability of the Releasees proven at trial or otherwise;

(ii) the Plaintiffs and the Settlement Class Members shall limit their claims against the Non-Settling Defendants and/or named or unnamed co-conspirators and/or any other Person or party that is not a Releasee to include only, and shall only seek to recover from the Non-Settling Defendants and/or named or unnamed co-conspirators and/or any other Person or party that is not a Releasee, those claims for damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigative costs claimed pursuant to section 36 of the *Competition Act*, RSC 1985, c C 34) attributable to the aggregate of the several liability of the Non-Settling Defendants and/or named or unnamed co-conspirators and/or any other Person or party that is not a Releasee to the Plaintiffs and Settlement Class Members, if any, and, for greater certainty, the Settlement Class Members shall be entitled to claim and seek to recover on a joint and several basis as between the Non-Settling Defendants and/or named or unnamed co-

conspirators and/or any other Person or party that is not a Releasee, if permitted by law; and

- (iii) the Court shall have full authority to determine the Proportionate Liability of the Releasees at the trial or other disposition of the relevant Proceeding or the Related Action, whether or not the Releasees remain in the relevant Proceeding or are named in the Related Action or appear at the trial or other disposition, and the Proportionate Liability of the Releasees shall be determined as if the Releasees are parties to the relevant Proceeding or the Related Action and any determination by the Court in respect of the Proportionate Liability of the Releasees shall only apply in the relevant Proceeding or the Related Action and shall not be binding on the Releasees in any other proceeding;
- (c) after the relevant Proceeding and/or the Related Action against the Non-Settling Defendants has been certified and all appeals or times to appeal have been exhausted and on at least twenty (20) days' notice to Counsel for the Settling Defendants, a Non-Settling Defendant may, on motion to the Court seek an Order for the following, which order shall be determined as if the Settling Defendants remained parties to the relevant Proceeding and were parties to the Related Action:
- (i) documentary discovery and affidavit(s) of documents from the Settling Defendants in accordance with that Court's rules of procedure;
  - (ii) oral discovery of a representative(s) of the Settling Defendants, the transcripts of which may be read in at trial;
  - (iii) leave to serve a request to admit on the Settling Defendants in respect of factual matters; and/or

- (iv) the production of a representative(s) of the Settling Defendants to testify at trial, with such witness to be subject to cross-examination by counsel for the Non-Settling Defendants.

15. **THIS COURT ORDERS** that nothing in this Order is intended to or shall limit, restrict or affect any arguments which the Non-Settling Defendants may make regarding the reduction of any assessment of damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigative costs claimed pursuant to section 36 of the *Competition Act*, RSC 1985, c C-34) or judgment against them in favour of Settlement Class Members in the Proceeding or the Related Action or the rights of the Plaintiffs and the Settlement Class Members to oppose or resist any such arguments, except as provided for in this Order.

16. **THIS COURT ORDERS** that a Non-Settling Defendant may, on motion to this Court determined as if the Settling Defendants remained parties to the Proceeding and was party to the Related Action, and on at least twenty (20) days' notice to Counsel for the Settling

17. **THIS COURT ORDERS** that the Settling Defendants retain all rights to oppose such motion(s) brought under paragraph 16. Moreover, nothing herein restricts the Settling Defendants from seeking a protective order to maintain confidentiality and protection of proprietary information in respect of documents to be produced and/or for information obtained from discovery in accordance with paragraph 16. Notwithstanding any provision in this Order, on any motion brought pursuant to paragraph 16, this Court may make such orders as to costs and other terms as it considers appropriate.

18. **THIS COURT ORDERS** that a Non-Settling Defendant may effect service of the motion(s) referred to in paragraph 16 above by service on Counsel for the Settling Defendants.
19. **THIS COURT ORDERS** that for purposes of administration and enforcement of the Settlement Agreement and this Order, this Court will retain an ongoing supervisory role and the Settling Defendants attorn to the jurisdiction of this Court solely for the purpose of implementing, administering and enforcing the Settlement Agreement and this Order, and subject to the terms and conditions set out in the Settlement Agreement and this Order.
20. **THIS COURT ORDERS** that, except as provided herein, this Order does not affect any claims or causes of action that any members of the Settlement Class has or may have in the Proceeding or the Related Action against the Non-Settling Defendants or named or unnamed co-conspirators who are not Releasees.
21. **THIS COURT ORDERS** that no Releasee shall have any responsibility or liability whatsoever relating to the administration of the Settlement Agreement; to administration, investment, or distribution of the Trust Account; or to the Distribution Protocol.
22. **THIS COURT ORDERS** that the Settlement Amount allocated to the Settlement Class shall be held in the Trust Account by Class Counsel for the benefit of the Settlement Class Members and after the Effective Date the Settlement Amount allocated to the Settlement Class may be used to pay Class Counsel Disbursements incurred for the benefit of the Settlement Classes in the continued prosecution of the Proceeding or the Related Action against the Non-Settling Defendants. This paragraph shall not be interpreted as affecting the rights of the Plaintiffs or the Settlement Classes to claim such Disbursements in the

context of a future costs award in their favour against the Non-Settling Defendants, or the rights of the Non-Settling Defendants to oppose and resist any such claim.

23. **THIS COURT ORDERS** that in the event that some of the Settlement Amount remains in the Trust Account after payment of Class Counsel Disbursements, Class Counsel Fees and Administrative Expenses, Class Counsel shall seek direction from this Court regarding the distribution of the remaining funds.
24. **THIS COURT ORDERS** that, in the event that the Settlement Agreement is terminated in accordance with its terms, this Order shall be declared null and void on subsequent motion made on notice.
25. **THIS COURT ORDERS** that, upon the Effective Date, the Proceeding be and is hereby dismissed against the Settling Defendants, without costs and with prejudice.
26. **THIS COURT ORDERS** that the approval of the Settlement Agreement and any reasons given by the Court in relation thereto, except any reasons given in connection with paragraphs 13-18 of this Order, are without prejudice to the rights and defences of the Non-Settling Defendants in connection with the ongoing Related Action and, without restricting the generality of the foregoing, may not be relied on by any Person to establish jurisdiction, the criteria for certification (including class definition) or the existence or elements of the causes of action asserted in the Related Action as against the Non-Settling Defendants.
