- (d) not within the possession, custody or control of the Releasees;

(6) If Counsel for the Settling Defendants have produced a relevant privilege log in the U.S. Litigation and not already produced it in the BC Action, the Settling Defendants will provide Class Counsel with a copy of such log.

(7) If any Documents protected by any privilege and/or any privacy law or other order, regulatory directive, rule or law of this or any applicable jurisdiction including but not limited to Canada and the United States are accidentally or inadvertently produced, such Documents shall be promptly returned to the Settling Defendants and the Documents and the information contained therein shall not be disclosed or used directly or indirectly, except with the express written permission of the Settling Defendants, and the production of such Documents shall in no way be construed to have waived in any manner any privilege or protection attached to such Documents.

(8) Subject to the rules of evidence, any Court order with regard to confidentiality and the other provisions of this Settlement Agreement, the Settling Defendants agree to use reasonable efforts to provide or obtain affidavits for use at trial or as the Parties may otherwise agree in the BC Action for the sole purpose of supporting the submission into evidence of any information, transactional data and/or Documents provided by the Settling Defendants in accordance with this Settlement Agreement or as otherwise produced by the Settling Defendants in the BC Action. If, and only if, a Court should determine that affidavits are inadequate for the purpose of submitting into evidence of the information, transactional data and/or Documents produced by the Settling Defendants, the Settling Defendants agree to use reasonable efforts to make available for testimony at trial or as the Parties may otherwise agree in the BC Action such current or former employees of the Settling Defendants as reasonably necessary for the purpose of admitting into evidence any information, transactional data and/or Documents provided by the Settling Defendants to Class Counsel pursuant to Section **Error! Reference source not found.** herein. If a witness is required to travel for the purposes of giving the evidence described in this Section 4.1(8), the witness's obligation to travel is conditional on (i) the travel being safe and permitted by applicable national, regional, and local laws, rules, and regulations regarding travel, and (ii) the witness's right to refuse to travel for legitimate, health-related concerns. If the witness refuses to or is unable to travel for reasons described in this Section 4.1(8), the Parties shall agree on another satisfactory means of obtaining the witness's evidence. The Plaintiff will work to minimize any burden on the Settling Defendants pursuant to this section.

(9) The obligations of the Settling Defendants to cooperate as particularized in this Section 4 shall not be affected by the release provisions contained in Section 7.1 of this Settlement Agreement. If Class Counsel reach a settlement with all of the Non-Settling Defendants and any such settlement becomes effective in accordance with its terms or obtain final judgment against each of them in the BC Action, then all obligations under this Section 4 shall cease and this Section 4 shall be of no further force or effect. For greater certainty, the Plaintiff's failure to strictly enforce any of the deadlines for the Settling Defendants to provide cooperation pursuant to this Section 4 is not a waiver of the cooperation rights granted by Section 4.

(10) The Plaintiff may exercise any rights he has to seek to obtain discovery in the BC Action as against knowledgeable employees of the Settling Defendants, if such individual(s) fails to cooperate in accordance with Subsection 4.1(8) and the provisions of this Settlement Agreement.

(11) Subject to Sections 4.1(10) and 4.1(12), the provisions set forth in this Section 4.1 are the exclusive means by which the Plaintiff, Class Counsel and Settlement Class Members may obtain discovery or information or Documents from the Releasees or their current or former officers, directors, employees, agents or counsel. The Plaintiff, Class Counsel and Settlement Class Members agree that they shall not pursue any other means of discovery against, or seek to compel the evidence of, the Releasees or their current or former officers, directors, employees,

agents or counsel, whether in Canada or elsewhere and whether under the rules or laws of this or any other Canadian or foreign jurisdiction.

(12) In the event that the Settling Defendants materially breach this Section 4.1, the Plaintiff may move before the Court to enforce the terms of this Settlement Agreement, seek an order setting aside Section 4.1(11) and allowing the Plaintiff to obtain discovery or information from the Settling Defendants as if the Settling Defendants remained parties to the BC Action, or seek such other remedy that is available at law.

(13) A material factor influencing the decision by the Settling Defendants to execute this Settlement Agreement is their desire to limit the burden and expense of this litigation. Accordingly, the Plaintiff and Class Counsel agree to exercise good faith in seeking cooperation from the Settling Defendants, agree to avoid seeking information that is unnecessary, cumulative or duplicative and agree otherwise to avoid imposing undue, unreasonable or disproportionate burden or expense on the Releasees.

(14) The scope of the Settling Defendants' cooperation under this Settlement Agreement shall be limited to an alleged conspiracy to fix, raise, maintain or stabilize prices, allocate markets or customers or restrict output or capacity, of ODD and ODD Products sold in Canada during the Class Period.

4.2 Intervention in the U.S. Litigation

(1) The Settling Defendants shall not oppose any application by or on behalf of the Plaintiff to: (1) intervene in the U.S. Litigation in order to gain access to discovery Documents and other Documents and information subject to the stipulated Protective Order granted in the U.S. Litigation that are relevant to the BC Action, provided such application is not otherwise inconsistent with the terms of this Settlement Agreement, including Section 4.1 and in particular 4.1(11); or (2) compel a U.S. resident to "give his testimony or statement or to produce a document or other thing for use in a proceeding in a foreign or international tribunal" pursuant to Title 28 of the United States Code §1782 for the prosecution of the BC Action, provided such application is not otherwise inconsistent with the terms of this Settlement Agreement, including Section 4.1, and in particular 4.1(11). However, it is agreed that the Settling Defendants have no obligation to bring or otherwise participate in such an application.

4.3 Limits on Use of Documents

(1) It is understood and agreed that all Documents and information made available or provided by the Settling Defendants to the Plaintiff and Class Counsel under this Settlement Agreement, including under Section 4.1, shall be used only in connection with the prosecution of the claims in the BC Action, and shall not be used directly or indirectly for any other purpose, except to the extent that the Documents or information are or become publicly available.

(2) The Plaintiff and Class Counsel agree they will not disclose, produce or file any Documents or information provided by the Settling Defendants, whether pursuant to this Settlement Agreement or pursuant to the Settling Defendants' production obligations in the BC Action, beyond what is reasonably necessary for the prosecution of the BC Action or as otherwise required by law, and that any disclosure shall be in compliance with Section 4.3(4). The Plaintiff and Class Counsel acknowledge that they are bound by the implied and deemed undertaking rule in British Columbia and the equivalent rules in other provinces or territories, except to the extent that the Documents or information are or become publicly available. Class Counsel shall take reasonable precautions to ensure and maintain the confidentiality of such Documents and information, and of any work product of Class Counsel that discloses such Documents and information.

(3) Moreover, neither Class Counsel, nor anyone currently or hereafter employed by, or a partner with Class Counsel, may divulge to anyone for any purpose, or use for any purpose, any information obtained in the course of the BC Action or the negotiation and preparation of this Settlement Agreement, except to the extent such information is or becomes otherwise publicly available or unless ordered to do so by a court or as otherwise provided in this Section 4.

(4) If, in the course of the BC Action, the Plaintiff or Class Counsel, acting reasonably, conclude that it is reasonably necessary to disclose or produce or file Documents obtained from the Releasees, whether pursuant to this Settlement Agreement or pursuant to the Settling Defendants' production obligations in the BC Action, and:

- (a) such disclosure is not otherwise prohibited by the Settlement Agreement; and
- (b) there is not already a confidentiality order issued in the BC Action that applies to the Documents and information provided (if there is already a confidentiality order issued, that order shall govern),

Class Counsel shall provide the Settling Defendants or their counsel with advance written description of the Documents or information sought to be disclosed, produced or filed, promptly and in any event at least thirty (30) days in advance of the proposed disclosure, production or filing, in order that the Settling Defendants or other Releasees may bring a motion for the purpose of obtaining a sealing or confidentiality order or similar relief, or take such steps as they deem necessary to protect their interests in respect of such Documents or information.

(5) If, in the course of the BC Action, a Person requests disclosure or production of Documents or information obtained from the Releasees whether pursuant to this Settlement Agreement or pursuant to the Settling Defendants' production obligations in the BC Action (whether or not the Person applies for an order), and:

- (a) such disclosure is not otherwise prohibited by the Settlement Agreement;

- (b) there is not already a confidentiality order issued in the BC Action that applies to the Documents and information provided (if there is already a confidentiality order issued, that order shall govern),

Class Counsel shall promptly provide Counsel for the Settling Defendants with advance written description of the Documents or information that is the subject of the request for disclosure or production, in order that the Settling Defendants or other Releasees may bring a motion for the purpose of obtaining a sealing or confidentiality order or similar relief, or take such steps as they deem necessary to protect their interests in respect of such Documents or information.

(6) If the Settling Defendants or other Releasees bring a motion under Section 4.3(4) or 4.3(5) of this Settlement Agreement to obtain a sealing or confidentiality order or similar relief, the Plaintiff and Class Counsel:

- (a) shall not oppose reasonable positions taken by the Settling Defendants or other Releasees;
- (b) shall not consent to disclosure or production or an order granting similar relief;
- (c) shall not disclose, produce or file the Documents or information until such motion has been decided and all applicable appeal periods have expired, unless otherwise ordered by a Court and subject to Section 4.3(6)(d); and
- (d) may provide, on an interim basis, Documents to counsel for the Non-Settling Defendants provided that counsel for the Non-Settling Defendants agree and give assurances in writing that, until the motion brought by the Settling Defendants or other Releasees has been decided and all applicable appeal periods have expired, the Documents or information will remain with external counsel for the Non-Settling Defendants and will only be disclosed to independent expert(s) retained by a Non-Settling Defendant for the purposes of the BC Action, as well as secretarial, clerical or other support personnel of such expert(s) to whom disclosure is reasonably necessary and who agree in advance in writing to be bound by the same confidentiality and destruction obligations set out in Section 4 and Section 6.2(2)(d). An independent expert may not be an employee of a Plaintiff or Defendant in the BC Action or a competitor of the Settling Defendants.

SECTION 5 - DISTRIBUTION OF THE SETTLEMENT AMOUNT AND ACCRUED INTEREST

5.1 Distribution Protocol

- (1) At a time wholly within the discretion of Class Counsel, but on notice to the Settling Defendants, Class Counsel will make an application seeking an order from the Court approving the Distribution Protocol.
- (2) The Distribution Protocol shall require Settlement Class Members seeking compensation to give credit for any compensation received through other proceedings or in out-of-class settlements, unless by such proceedings or out-of-class settlements the Settlement Class Member's claim was released in its entirety, in which case the Settlement Class Member shall be deemed ineligible for any further compensation.

5.2 No Responsibility for Administration or Fees

- (1) Subject to Section 6.3, the Releasees shall not have any responsibility, financial obligations or liability whatsoever with respect to:
 - (a) the investment, distribution or administration of monies in the Trust Account including, but not limited to, Administration Expenses, Class Counsel Disbursements and Class Counsel Fees; or
 - (b) the administration of the Distribution Protocol.

SECTION 6– NON-APPROVAL OR TERMINATION OF SETTLEMENT AGREEMENT

6.1 Right of Termination

- (1) In the event that:
 - (a) the Court declines to certify the BC Action for settlement purposes as against the Settling Defendants or does so in a materially modified form;
 - (b) the Court declines to dismiss the BC Action against the Settling Defendants;
 - (c) the Court declines to approve this Settlement Agreement or any material part hereof;
 - (d) the Court approves this Settlement Agreement in a materially modified form; or

- (e) any order approving this Settlement Agreement made by the Court does not become a Final Order or is issued in a materially modified form or is materially inconsistent with the terms of this Settlement Agreement;

the Plaintiff and the Settling Defendants shall each have the right to terminate this Settlement by delivering a written notice pursuant to Section 14.17 within thirty (30) days following an event described above.

(2) In addition, if the Settlement Amount is not paid in accordance with Section 3.1(1), the Plaintiff shall have the right to terminate this Settlement Agreement by delivering a written notice pursuant to Section 14.17, within thirty (30) days after such non-payment, or move before the Court to enforce the terms of this Settlement Agreement.

(3) Any order, ruling or determination made (or rejected) by any Court with respect to:

- (a) Class Counsel Fees or Class Counsel Disbursements; or
- (b) the Distribution Protocol,

shall not be deemed to be a material modification of all, or a part, of this Settlement Agreement and shall not provide any basis for the termination of this Settlement Agreement.

6.2 If Settlement Agreement is Terminated

(1) Except as provided for in Section 6.4, if the Settling Defendants or the Plaintiff exercise their right to terminate, this Settlement Agreement shall be null and void and have no further force or effect, shall not be binding on the Parties, and shall not be used as evidence or otherwise in any litigation or in any other way for any reason.

(2) If this Settlement Agreement is not approved by the Court, is terminated in accordance with its terms or otherwise fails to take effect for any reason:

- (a) no motion to certify the BC Action as a class proceeding on the basis of this Settlement Agreement, or to approve this Settlement Agreement, which has not been decided, shall proceed;
- (b) the Parties will cooperate in seeking to have any issued order certifying the BC Action as a class proceeding on the basis of the Settlement Agreement, or approving this Settlement Agreement, set aside and declared null and void and of no force or effect, and anyone shall be estopped from asserting otherwise;
- (c) any prior certification of the BC Action as a class proceeding on the basis of this Settlement Agreement, including the definition of the Settlement Class and the

Common Issue, shall be without prejudice to any position that any of the Parties or Releasees may later take on any issue in the BC Action or any other litigation;

- (d) within ten (10) days of such termination having occurred, Class Counsel shall make reasonable efforts to destroy all Documents or other materials provided by the Settling Defendants or other Releasees under this Settlement Agreement or containing or reflecting information derived from such Documents or other materials. To the extent Class Counsel has disclosed any Documents or information provided by the Settling Defendants or Releasees to any other Person, Class Counsel shall endeavour to recover and destroy such Documents or information. Class Counsel shall provide Counsel for the Settling Defendants with a written certification of such destruction by Class Counsel. Nothing contained in this Section 6.2 shall be construed to require Class Counsel to destroy any of their work product or any Documents previously produced by the Settling Defendants as part of their discovery obligations. However, any Documents or information provided by or received from the Settling Defendants or Releasees in connection with this Settlement Agreement may not be disclosed to any Person in any manner or used, directly or indirectly, by Class Counsel or any other Person in any way for any reason, without the express prior written permission of the Settling Defendants. Class Counsel shall take appropriate steps and precautions to ensure and maintain the confidentiality of such Documents, information and any work product of Class Counsel; and
- (e) until such time as a confidentiality order is in place in the BC Action that applies to the Documents previously provided by the Settling Defendants pursuant to their production obligations in the BC Action, Class Counsel shall continue to maintain such Documents on the terms pursuant to which they were produced by the Settling Defendants or such other terms as may be agreed upon by the Parties.

6.3 Allocation of Monies in the Trust Account Following Termination

(1) If the Settlement Agreement is terminated, BC Counsel or the Claims Administrator, as the case may be, shall within thirty (30) days of the written notice pursuant to Section 6.1(1) return to the Settling Defendants the Settlement Amount, plus all accrued interest thereon and less any taxes paid on interest, less the Settling Defendants' proportional share (to a maximum of \$50,000 for the Settling Defendants collectively) of any costs actually incurred or payable with respect to notices required by Section 11.1 and any costs actually incurred or payable with respect to any translations required under Section 14.11.

6.4 Survival of Provisions After Termination

(1) If this Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason, Sections 3.1(7), 3.2(5), 5.2 (insofar as it relates to the investment, distribution or administration of monies in the Trust Account, including Administration Expenses, or administration of the distribution protocol), 6.1(2), 6.2, 6.3, 6.4, 9.1, 9.2, 10.1(4), 11.1(2), 11.2, 12.2(7), 14.1, 14.2, 14.3, 14.4, 14.5, 14.6, 14.7, 14.8, 14.9, 14.10, 14.11, 14.12, 14.13, 14.15, 14.16 and 14.17, and the definitions applicable thereto (but only for the limited purpose of the interpretation of those sections) shall survive the termination and continue in full force and effect. All other provisions of this Settlement Agreement and all other obligations pursuant to this Settlement Agreement shall cease immediately.

SECTION 7– RELEASES AND DISMISSALS

7.1 Release of Releasees

(1) Upon the Effective Date, subject to Section 7.2, and in consideration of payment of the Settlement Amount and other valuable consideration set forth in the Settlement Agreement, the Releasers:

- (a) shall finally, fully, forever and absolutely waive, release, relinquish and discharge the Releasees from the Released Claims that any of them, whether directly, indirectly, derivatively, or in any other capacity, ever had, now have, or hereafter can, shall, or may have;
- (b) shall forever be enjoined from prosecuting in any forum any Released Claim against any of the Releasees; and
- (c) agree or covenant not to sue any of the Releasees on the basis of any Released Claims or to assist any third party in commencing or maintaining any suit against any of the Releasees related in any way to any Released Claim.

(2) The Plaintiff and Settlement Class Members acknowledge that they may hereafter discover facts in addition to, or different from, those facts which they know or believe to be true regarding the subject matter of the Settlement Agreement, and it is their intention to release fully, finally and forever all Released Claims and, in furtherance of such intention; this release shall be and remain in effect notwithstanding the discovery or existence of additional or different facts.

7.2 Covenant Not to Sue

(1) Notwithstanding Section 7.1, upon the Effective Date, for any Settlement Class Members resident in any province or territory where the release of one tortfeasor is a release of all other tortfeasors, the Releasers do not release the Releasees but instead covenant and undertake not to

make any claim in any way or to threaten, commence, institute, prosecute, participate in, maintain or continue any proceeding in any jurisdiction against the Releasees in respect of or in relation to the Released Claims, whether on their own behalf or as part of any putative, purported or certified class of purchasers or consumers.

7.3 No Further Claims

(1) Upon the Effective Date, the Releasors shall not now or hereafter institute, continue, provide assistance for, intervene in, maintain or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other Person, any action, suit, cause of action, claim or demand against any Releasee or any other Person who may claim contribution or indemnity, or other claims over relief, from any Releasee, whether pursuant to the *Negligence Act*, RSBC 1996, c. 333, *Civil Code of Quebec* or other legislation or common law or in equity, in respect of any Released Claim, except for the continuation of the BC Action against the Non-Settling Defendants, or named or unnamed alleged co-conspirators that are not Releasees or, if the BC Action is decertified with respect to the Non-Settling Defendants, the continuation of the claims asserted in the BC Action on an individual basis or otherwise against any Non-Settling Defendant or named or unnamed co-conspirator that is not a Releasee. For greater certainty, and without limiting the generality of the foregoing, the Releasors shall not assert or pursue a Released Claim against any Releasee under the laws of any foreign jurisdiction.

7.4 Dismissal of the BC Action

(1) Upon the Effective Date, the BC Action shall be dismissed with prejudice and without costs as against the Settling Defendants.

7.5 Dismissal of Other Actions

(1) Upon the Effective Date, each Settlement Class Member shall be deemed to irrevocably consent to the dismissal, without costs and with prejudice, of his, her or its Other Actions against the Releasees.

(2) Upon the Effective Date, all Other Actions commenced in British Columbia by any Settlement Class Member shall be dismissed against the Releasees, without costs and with prejudice.

7.6 Material Term

(1) For the avoidance of doubt and without in any way limiting the ability of the Parties to assert that other terms in this Settlement Agreement are material terms (subject to Section 6.1(3)), the provisions in this Section 7 shall be considered a material term of the Settlement

Agreement and the failure of the Court to approve such provisions shall give rise to a right of termination pursuant to Section 6.1 of the Settlement Agreement.

SECTION 8– BAR ORDER

8.1 Bar Orders

- (1) Class Counsel shall obtain a bar order from the Court providing for the following:
 - (a) to the extent such claims are recognized at law all claims for contribution, indemnity or other claims over, whether asserted, unasserted or asserted in a representative capacity, inclusive of interest, taxes and costs, relating to the Released Claims, which were or could have been brought in the BC Action or any Other Actions, or otherwise, by any Non-Settling Defendant, any named or unnamed co-conspirator that is not a Releasee, any Settled Defendant or any other Person or party against a Releasee, or by a Releasee against any Non-Settling Defendant, any named or unnamed co-conspirator that is not a Releasee, any Settled Defendant, or any other Person or party, are barred, prohibited and enjoined;
 - (b) if the Court ultimately determines that a claim for contribution and indemnity or other claim over, whether in equity or in law, by statute or otherwise, is a legally recognized claim:
 - i) the Plaintiff and Settlement Class Members shall not be entitled to claim or recover from the Non-Settling Defendants, named or unnamed co-conspirators and/or any other Person or party that is not a Releasee, that portion of any damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigative costs claimed pursuant to section 36 of the *Competition Act*) that corresponds to the Proportionate Liability of the Releasees proven at trial or otherwise;
 - ii) the Plaintiff and Settlement Class Members shall limit their claims against the Non-Settling Defendants and/or named or unnamed co-conspirators and/or any other Person or party that is not a Releasee to include only, and shall only seek to recover from the Non-Settling Defendants and/or named or unnamed co-conspirators and/or any other Person or party that is not a Releasee, those claims for damages (including punitive damages, if any), restitution, disgorgement of profits, costs, and interest attributable

to the aggregate of the several liability of the Non-Settling Defendants and/or named or unnamed co-conspirators and/or any other Person or party that is not a Releasee, if any, and, for greater certainty, the Plaintiff and Settlement Class Members shall be entitled to claim and seek to recover on a joint and several basis as between the Non-Settling Defendants and/or named or unnamed co-conspirators and/or any other Person or party that is not a Releasee, if permitted by law; and

- iii) the Court shall have full authority to determine the Proportionate Liability of the Releasees at the trial or other disposition of the BC Action, whether or not the Releasees remain in the BC Action or appear at the trial or other disposition, and the Proportionate Liability of the Releasees shall be determined as if the Releasees are parties to the BC Action and any determination by the Court, in respect of the Proportionate Liability of the Releasees shall only apply in the BC Action and shall not be binding in any other proceeding;
- (c) a Non-Settling Defendant may, on application to the Court, and on at least twenty (20) days' notice to Counsel for the Settling Defendants, seek orders for the following:
 - i) documentary discovery and a list of documents from the Settling Defendants in accordance with the Court's rules of procedure;
 - ii) oral discovery of a representative of the Settling Defendants, the transcript of which may be read in at trial;
 - iii) leave to serve a notice to admit on the Settling Defendants in respect of factual matters; and/or
 - iv) the production of a representative of the Settling Defendants to testify at trial, with such witness to be subject to cross-examination by counsel for the Non-Settling Defendants;
- (d) the Settling Defendants retain all rights to oppose any application brought pursuant to Section 8.1(1)(c), including any such application brought at trial seeking an order requiring the Settling Defendants to produce a representative to testify at trial. Moreover, nothing herein restricts the Settling Defendants from seeking a protective order to maintain confidentiality and protection of proprietary

information in respect of Documents to be provided and/or information obtained from discovery in accordance with Section 8.1(1)(c);

- (e) on any application brought pursuant to Section 8.1(1)(c), the Court may make such orders as to costs and other terms as it considers appropriate;
- (f) to the extent that such an order is granted and discovery is provided to a Non-Settling Defendant, a copy of all discovery provided, whether oral or documentary in nature, shall be provided by the Settling Defendants to the Plaintiff and Class Counsel within ten (10) days of such discovery being provided to a Non-Settling Defendant;
- (g) the Court will retain an ongoing supervisory role over the discovery process and the Settling Defendants will attorn to the jurisdiction of the Court for these purposes only; and
- (h) a Non-Settling Defendant may effect service of the application(s) referred to in Section 8.1(1)(c), on a Settling Defendant by service on Counsel for the Settling Defendants.

8.2 Claims Against Other Entities Reserved

- (1) Except as provided herein, this Settlement Agreement does not settle, compromise, release or limit in any way whatsoever any claim by Releasers against any Person other than the Releasees.

8.3 Material Term

- (1) For the avoidance of doubt and without in any way limiting the ability of the Parties to assert that other terms in this Settlement Agreement are material terms (subject to Section 6.1(3)), the Parties acknowledge that the provisions in this Section 8 shall be considered a material term of the Settlement Agreement and the failure of any Court to approve such provisions shall give rise to a right of termination pursuant to Section 6.1 of the Settlement Agreement.
- (2) Notwithstanding the foregoing, Subsections 8.1(1)(c) and **Error! Reference source not found.** shall not be considered a material term of this Settlement Agreement and the failure of any Court to approve a bar order provision corresponding to Subsections 8.1(1)(c) and **Error! Reference source not found.** shall not give rise to a right to termination pursuant to Section 6.1 of the Settlement Agreement.

SECTION 9– EFFECT OF SETTLEMENT

9.1 No Admission of Liability

(1) The Plaintiff and the Releasees expressly reserve all of their rights if the Settlement Agreement is not approved, is terminated or otherwise fails to take effect for any reason. Further, whether or not this Settlement Agreement is finally approved, is terminated, or otherwise fails to take effect for any reason, this Settlement Agreement and anything contained herein, and any and all negotiations, Documents, discussions and proceedings associated with this Settlement Agreement, and any action taken to carry out this Settlement Agreement, shall not be deemed, construed or interpreted to be an admission of any violation of any statute or law, or of any wrongdoing or liability by the Releasees, or of the truth of any of the claims or allegations contained in the BC Action or any other pleading filed by the Plaintiff.

9.2 Agreement Not Evidence

(1) The Parties agree that, whether or not it is not approved, terminated or otherwise fails to take effect for any reason, this Settlement Agreement and anything contained herein, and any and all negotiations, Documents, discussions and proceedings associated with this Settlement Agreement, and any action taken to carry out this Settlement Agreement, shall not be referred to, offered as evidence or received in evidence in any pending or future civil, criminal or administrative action or proceeding, except in a proceeding to approve and/or enforce this Settlement Agreement, to defend against the assertion of Released Claims or claims precluded by the bar orders in Section 8, as otherwise required by law or as provided in this Settlement Agreement.

9.3 No Further Litigation

(1) No Class Counsel, nor anyone currently or hereafter employed by or a partner with Class Counsel, may directly or indirectly participate or be involved in or in any way assist with respect to any claim made or action commenced by any Person against the Releasees that relates to or arises from the Released Claims, except in relation to the continued prosecution of the BC Action against any Non-Settling Defendant or unnamed co-conspirators that are not Releasees or, if the BC Action is decertified with respect to the Non-Settling Defendants, the continuation of the claims asserted in the BC Action on an individual basis or otherwise against any Non-Settling Defendant or unnamed co-conspirator that is not a Releasee.

(2) Section 9.3(1) shall be inoperative to the extent that it is inconsistent with BC Counsel's obligations under Section 3.2-10 of the Law Society of British Columbia's *Code of Professional Conduct for British Columbia*.

SECTION 10– CERTIFICATION FOR SETTLEMENT ONLY

10.1 Settlement Class and Common Issue

- (1) The Parties agree that the BC Action shall be certified as a class proceeding as against the Settling Defendants solely for purposes of settlement of the BC Action in respect of the Settling Defendants and the approval of this Settlement Agreement by the Court, and such certification shall not be used or relied on as against the Releasees for any other purpose or in any other proceeding.
- (2) The Parties agree that in the motions for certification of the BC Action as a class proceeding and for the approval of this Settlement Agreement, the only common issue that the Plaintiff and Class Counsel will seek to define is the Common Issue and the only class that the Plaintiff and Class Counsel will assert is the Settlement Class.
- (3) The Parties agree that the certification of the BC Action as against the Settling Defendants for the purpose of implementing this Settlement Agreement shall not derogate in any way from the rights of the Plaintiff as against the Non-Settling Defendants or any other Persons or parties that are not Releasees, except as expressly set out in this Settlement Agreement.
- (4) The Releasees retain all of their available objections, arguments, and defences with respect to class certification, and reserve all rights if the settlement set forth in this Settlement Agreement does not receive Court approval, if Court approval is reversed or vacated on appeal, or if this Settlement Agreement is terminated or fails to take effect for any reason. The Parties acknowledge that there has been no consent to certification of any classes for any purpose other than effectuating this Settlement Agreement.

SECTION 11– NOTICE TO SETTLEMENT CLASSES

11.1 Notices Required

- (1) Class Counsel will give the proposed Settlement Class notice of:
 - (a) the certification of the BC Action as a class proceeding as against the Settling Defendants for settlement purposes;
 - (b) the date of hearing at which the Court will be asked to approve the Settlement Agreement;
 - (c) the principal elements of the Settlement Agreement; and

- (d) if it is brought with the hearing to approve the Settlement Agreement, the hearing to request the Court to approve Class Counsel Fees and Class Counsel Disbursements.

(2) If this Settlement Agreement is not approved, is terminated, or otherwise fails to take effect, the proposed Settlement Class shall be given notice of such event.

11.2 Form and Distribution of Notices

- (1) The notices referred to in Section 11.1 shall be in a form agreed upon by the Parties and approved by the Court.
- (2) The notices referred to in Section 11.1 shall be disseminated by a method agreed upon by the Parties and approved by the Court.
- (3) A copy of the notices shall be sent by direct mail or email to Persons who have commenced an Other Action and/or their counsel of record.

SECTION 12– ADMINISTRATION AND IMPLEMENTATION

12.1 Mechanics of Administration

- (1) Except to the extent provided for in this Settlement Agreement, the mechanics of the implementation and administration of this Settlement Agreement and Distribution Protocol shall be determined by the Court on application brought by Class Counsel.

12.2 Information and Assistance

- (1) The Settling Defendants will make reasonable efforts to provide a list of available names and addresses (including any relevant email addresses) of those Persons in Canada who purchased ODD and/or ODD Products from the Settling Defendants during the Class Period, and the Purchase Price (or such price information as is available) paid by each such Person for such purchases. The information shall be delivered in Microsoft Excel or such other format as may be agreed upon by the Settling Defendants and Class Counsel and shall be delivered as a separate production from the Documents delivered pursuant to Section 4.1(1) or identified by bates number within the production of Documents delivered pursuant to Section 4.1(1). The Settling Defendants may provide available address information as a separate data set from the available Purchase Price information.
- (2) The name and address information required by Section 12.2(1) shall be delivered to Class Counsel within thirty (30) days of the Date of Execution. The Purchase Price information required by Section 12.2(1) shall be delivered to Class Counsel within thirty (30) days of the Effective Date.

- (3) Class Counsel may use the information provided under Section 12.2(1):
- (a) to facilitate the dissemination of the notices required in Section 11.1;

7. This Order, including the Settlement Agreement, is binding upon each member of the Settlement Class including those Persons who are minors or mentally incapable and the requirements of Rule 20-2 of the *Supreme Court Civil Rules* are dispensed with in respect of the BC Action.

8. Upon the Effective Date, in accordance with the Settlement Agreement, each Releasor resident in British Columbia covenants and undertakes not to sue and undertakes not to make any claim in any way nor to threaten, commence, institute, prosecute, participate in, maintain or continue any proceeding in any jurisdiction against the Releasees in respect of or in relation to the Released Claims, whether on their own behalf or as part of any putative, proposed or certified class of purchasers or consumers. The use of the terms "Releasors", "Releasees" and "Released Claims" in this Order is a matter of form only for consistency with the Settlement Agreement.

Notwithstanding any provision in this Order, on any application brought pursuant to paragraph 13 the Court may make such orders as to costs and other terms as it considers appropriate.

15. A Non-Settling Defendant may effect service of the application(s) referred to in paragraph 13 above on the Settling Defendants by service on their counsel of record in the BC Action.

16. For the purposes of administration and enforcement of the Settlement Agreement and this Order, this Court will retain an ongoing supervisory role and the Settling Defendants and the other Releasees acknowledge the jurisdiction of this Court solely for the purpose of implementing, administering and enforcing the Settlement Agreement and this Order, and subject to the terms and conditions set out in the Settlement Agreement.

17. Except as provided herein, this Order does not affect any claims or causes of action that any Settlement Class Member has or may have against the Non-Settling Defendants or unnamed co-conspirators who are not Releasees in the BC Action.

This paragraph shall not be interpreted as affecting the rights of the Plaintiff or the Settlement Class to claim such Class Counsel Disbursements in the context of a future costs award in their favour against the Non-Settling Defendants, or the rights of the Non-Settling Defendants to oppose and resist any such claim.

21. In the event that some of the Settlement Amount remains in the Trust Account after payment of Class Counsel Disbursements, Class Counsel Fees and Administrative Expenses, Class Counsel shall seek direction from this Court regarding the distribution of the remaining funds.

22. This Order shall be declared null and void on a subsequent application made on notice in the event that the Settlement Agreement is terminated in accordance with its terms.

23. Upon the Effective Date, the BC Action is hereby dismissed against the Settling Defendants without costs and with prejudice.

24. The approval of the Settlement Agreement and any reasons given in relation thereto, except any reasons given by the Court in connection with paragraphs 10 to 15 of this Order, are without prejudice to the rights and defences of the Non-Settling Defendants in connection with the ongoing BC Action and, without restricting the generality of the foregoing, may not be relied on by any Person to establish jurisdiction, the criteria for certification (including class definition) or the existence or elements of the causes of action asserted in the BC Action, as against the Non-Settling Defendants.
