NOW THEREFORE, in consideration of the covenants, agreements and releases set forth herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, it is agreed by the Parties that the Proceeding be settled and dismissed with

(2) In addition, if the Settlement Amount is not paid in accordance with Section 3.1(2), the Plaintiffs shall have the right to terminate this Settlement Agreement by delivering a written notice pursuant to Section 12.14.

(3) Except as provided for in Section 5.1(4), if the Settlement Agreement is terminated, the Settlement Agreement shall be null and void and have no further force or effect, and shall not be binding on the Parties, and shall not be used as evidence or otherwise in any litigation or in any other way for any reason. (4) Any order, ruling or determination made or rejected by any Court with respect to:

- (a) Class Counsel Fees or Class Counsel Disbursements;
- (b) the opt-out process; or
- (c) the Plan of Allocation

shall not be deemed to be a material modification of all, or a part, of this Settlement Agreement and shall not provide any basis for the termination of this Settlement Agreement.

5.2 If Settlement Agreement Is Terminated

- (1) In the event of termination,
 - (a) no application to certify the Proceeding as a class proceeding on the basis of the Settlement Agreement or to approve the Settlement Agreement that has not been heard shall proceed;
 - (b) the Parties will cooperate in seeking to have any prior order certifying the Proceeding as a class proceeding on the basis of the Settlement Agreement or approving the Settlement Agreement set aside and declared of no force and effect, and any person shall be estopped from asserting otherwise; and
 - (c) any prior certification the Proceeding as a class proceeding on the basis of the Settlement Agreement, including the definitions of the Settlement Class and the Common Issue for Settlement Purposes pursuant to this Settlement Agreement, shall be without prejudice to any position that any of the Parties may later take on any issue in the Proceeding or any other litigation.

5.3 Return of Settlement Amount Following Termination

(1) If the Settlement Agreement is not approved, is terminated or otherwise fails to take effect for any reason, Class Counsel, within thirty (30) business days of the written notice advising that the Settlement Agreement has been terminated in accordance with its terms, shall return to the Settling Defendants the amount the Settling Defendants paid to Class Counsel, plus all accrued interest thereon and less any costs of notices incurred or payable under Section 9.2, if applicable.

5.4 Survival of Provisions After Non-Approval of Settlement Agreement

(1) If the Settlement Agreement is not approved, is terminated or otherwise fails to take effect for any reason, the provisions of Sections 3.2(3), 5.1(3), 5.1(4), 5.2, 5.3, 5.4, 7.1, 7.2, 9.1(3), and 10.2, and the definitions and Schedules applicable thereto, shall survive the

termination and continue in full force and effect. The definitions and Schedules shall survive only for the limited purpose of the interpretation of Sections 3.2(3), 5.1(3), 5.1(4), 5.2, 5.3, 5.4, 7.1, 7.2, 9.1(3), and 10.2 within the meaning of this Settlement Agreement, but for no other purposes. All other provisions of this Settlement Agreement and all other obligations pursuant to this Settlement Agreement shall cease immediately.

SECTION 6 – RELEASES AND DISMISSALS

6.1 Release of Defendants

(1) Upon the Effective Date, and in consideration of payment of the Settlement Amount and for other valuable consideration set forth in the Settlement Agreement, the Releasors forever and absolutely release and forever discharge the Releasees from the Released Claims that any of them, whether directly, indirectly, derivatively, or in any other capacity, ever had, now have, or hereafter can, shall, or may have.

(2) The Releasors acknowledge that they may hereafter discover facts in addition to, or different from, those facts which they know or believe to be true regarding the subject matter of the Settlement Agreement or the Proceeding, and it is the Releasors' intention to release fully, finally and forever all Released Claims and, in furtherance of such intention, this release shall be and remain in effect notwithstanding the discovery or existence of new or different facts.

6.2 No Further Claims

(1) Upon the Effective Date, each of the Releasors shall not then or thereafter institute, continue, maintain or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other person, any action, suit, cause of action, claim or demand against any Releasee, or any other person who may claim contribution or indemnity or other claims over relief from any Releasee, in respect of any Released Claim. For greater certainty and without limiting the generality of the foregoing, each of the Releasors shall not assert or pursue a Released Claim against any Releasee under the laws of any foreign jurisdiction.

6.3 Dismissal of the Proceeding

(1) Upon the Effective Date, the Proceeding shall be dismissed with prejudice and without costs as against the Defendants.

(2) Upon the Effective Date, each Settlement Class Member shall be deemed to irrevocably consent to the dismissal, without costs and with prejudice, of his, her or its Other Actions against the Releasees.

6.4 Material Term

(1) The releases, covenants, dismissals, and granting of consent contemplated in this Section shall be considered a material term of the Settlement Agreement and the failure of the Court to approve the releases, covenants, dismissals, and granting of consent contemplated herein shall give rise to a right of termination pursuant to Section 5 of the Settlement Agreement.

SECTION 7– EFFECT OF SETTLEMENT

7.1 No Admission of Liability

(1) The Plaintiffs and the Defendants expressly reserve all of their rights if the Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason. Further, whether or not the Settlement Agreement is finally approved, is terminated, or otherwise fails to take effect for any reason, this Settlement Agreement and anything contained herein, and any and all negotiations, documents, discussions and proceedings associated with this Settlement Agreement, and any action taken to carry out this Settlement Agreement, shall not be deemed, construed, or interpreted to be an admission of any violation of any statute or law, or of any wrongdoing or liability by the Releasees, or of the truth of any of the claims or allegations contained in the Proceeding, or any other pleading filed by the Plaintiffs.

7.2 Agreement Not Evidence

(1) The Parties agree that, whether or not it is finally approved, is terminated, or otherwise fails to take effect for any reason, this Settlement Agreement and anything contained herein, and any and all negotiations, documents, discussions and proceedings associated with this Settlement Agreement, and any action taken to carry out this Settlement Agreement, shall not

be referred to, offered as evidence or received in evidence in any pending or future civil, criminal or administrative action or proceeding, except in a proceeding to approve and/or enforce this Settlement Agreement, to defend against the assertion of Released Claims, as may be necessary, or as otherwise required by law.

SECTION 8– CERTIFICATION FOR SETTLEMENT ONLY

8.1 Certification Solely for the Purposes of Settlement

(1) The Parties agree that the Proceeding shall be certified as a class proceeding as against the Settling Defendants solely for purposes of settlement of the Proceeding and the approval of this Settlement Agreement by the Court.

(2) The Plaintiffs agree that, in the motion for certification of the Proceeding as a class proceeding for settlement purposes and for the approval of this Settlement Agreement, the only common issue that they will seek to define is the Common Issue for Settlement Purposes and the only class that they will assert is the Settlement Class.

Schedule "B"

NOTICE OF SETTLEMENT APPROVAL HEARING

REPROMED CLASS ACTION

You are receiving this notice because you were affected by the alleged failure of a cryogenic storage tank at the Repromed fertility clinic in May 2018. This notice was approved by the Ontario Superior Court of Justice (“**Ontario Court**”).

As you may be aware, a class action lawsuit was commenced in relation to the alleged tank failure. A settlement has been reached in the class action. Please note that the settlement applies to you even if you signed a release with the clinic.

This notice provides important information about your rights in relation to the settlement. The following questions are addressed below:

- A. What is this class action about?
- B. What should you know about the settlement?
- C. Who is affected by the settlement?
- D. How will the settlement money be distributed?
- E. How can you file a claim?
- F. When is the approval hearing?
- G. How can you exclude yourself from the class action?
- H. How can you object to the settlement?
- I. Who are the lawyers and how are they paid?

It is important that you read this notice and understand your options. If you have questions, you can contact the lawyers listed below. The lawyers will answer your questions free of charge.

A. WHAT IS THIS CLASS ACTION ABOUT?

A class action is a lawsuit filed by one or more people (known as representative plaintiffs) on behalf of a group of people.

In this class action (*AZP et al v Repromed Ltd. et al*, Court File No. CV-18-00002489-00CP), the plaintiffs allege, among other things, that the defendants’ negligence caused the destruction of their eggs and embryos.

The following entities were named as defendants in the class action:

- Chart Industries, Inc. (it is alleged that a subsidiary of Chart manufactured the tank);
- Praxair Canada Inc. (the alleged distributor of the tank); and
- Repromed Ltd., The Toronto Institute for Reproductive Medicine Inc. and Dr. Alfonso Del Valle (the clinic and its alleged owners).

B. WHAT SHOULD YOU KNOW ABOUT THE SETTLEMENT?

A settlement was reached with Chart Industries, Inc., Praxair Canada Inc., Repromed Ltd., and The Toronto Institute for Reproductive Medicine Inc. (collectively, the “**Settling Defendants**”). The Settling Defendants agreed to pay \$1,500,000 to settle the claims against them in relation to the alleged tank failure. The settlement also releases claims against Dr. Del Valle.

The settlement is a compromise of disputed claims and is not an admission of liability, fault, or wrongdoing. In order to take effect, the settlement must be approved by the Ontario Court. If approved, the settlement will resolve the class action in its entirety.

C. WHO IS AFFECTED BY THE SETTLEMENT?

The settlement affects all patients of Repromed Ltd., The Toronto Institute for Reproductive Medicine Inc. and Dr. Alfonso Del Valle (and their reproductive partners, if applicable) whose Reproductive Material was destroyed while being stored in a dewar manufactured by Chart Industries, Inc. bearing serial number NPB2017520124U (the “**Settlement Class**” or “**Settlement Class Members**”).

On ●, the Ontario Court certified the class action for settlement purposes on behalf of the Settlement Class.

D. HOW WILL SETTLEMENT MONEY BE DISTRIBUTED?

The plaintiffs will seek court approval of a plan for allocating the settlement funds, less court approved legal fees and other expenses (the “**Plan of Allocation**”).

The proposed Plan of Allocation provides that all Settlement Class Members (who do not opt-out of the action) are eligible for compensation. Settlement Class Members may file a claim for compensation even if they signed a release with the clinic. While all Settlement Class Members will be eligible for compensation, the amount of compensation will vary depending on the circumstances of the individual Settlement Class Member.

The proposed Plan of Allocation contemplates:

- (a) **Treatment Expenses**: There are 17 individuals/couples who did not sign releases with the clinic. Those Settlement Class Members will be able to claim for the reasonable expenses associated with one round of treatment. Settlement Class Members may claim one of the following:
- (i) If the Settlement Class Member paid out-of-pocket to create the eggs and/or embryos that were destroyed in the alleged tank failure, the Settlement Class Member may claim for their reasonable expenses associated with the original treatment. Settlement Class Members will be required to provide proof of payment; or
 - (ii) If the Settlement Class Member underwent subsequent treatment to replace the destroyed eggs and/or embryos, the Settlement Class Member may claim for their reasonable expenses related to the subsequent treatment. Settlement Class Members will be required to provide proof of payment; or
 - (iii) If the Settlement Class Member intends to undergo another round of treatment but has not yet done so, the Settlement Class Member will be allocated \$10,000 if the reproductive material destroyed while being stored in the tank at the ReproMed Clinic (“**Destroyed Material**”) contained only eggs, \$15,000 if the Destroyed Material contained embryos, and \$20,000 if the Destroyed Material contained

embryos formed from donor eggs. The Settlement Class Member must sign a declaration attesting to their plan to undergo further treatment and describing the intended future treatments.

(b) Point System: After expenses are reimbursed (up to a maximum of \$400,000), the remaining money will be allocated *pro rata* (proportionally) between all Settlement Class Members based on the point system described below.

Persons who underwent an egg retrieval process in the creation of the destroyed eggs and embryos (<i>i.e. women whose own eggs were retrieved</i>)	20 points per Settlement Class Member
Persons who did not undergo an egg retrieval process (e.g. <i>male patients/partners and persons who used egg donors</i>)	10 points per Settlement Class Member
Persons who attended counselling as a result of the alleged tank failure	10 points per Settlement Class Member
Persons who suffered a major complication as a result of further treatments to replace the destroyed eggs and embryos (e.g. <i>a hospitalization</i>)	15 points per Settlement Class Member
Persons who suffered a minor complication as a result of further treatments to replace the destroyed eggs and embryos (e.g. <i>a visit to the doctor or ER</i>)	5 points per Settlement Class Member
Persons suffering from permanent loss of fertility (<i>medical proof required</i>)	50 points per Settlement Class Member
Persons who did not have eggs and embryos stored elsewhere at the clinic (<i>Some people had eggs or embryos stored in a separate dewar at the clinic. Those people cannot claim in this category</i>)	5 points (if a couple is filing, this can only be claimed once)
Persons whose embryos were destroyed by the alleged tank failure	5 points (if a couple is filing, this can only be claimed once)

(c) Point Discount: Settlement Class Members who signed a release with the clinic will have their points discounted by 50%.

The above is only a summary of the proposed Plan of Allocation. To read the entire document, visit www.siskinds.com/repromed.

E. HOW CAN YOU FILE A CLAIM?

A further notice will follow with instruction about how to file a claim for compensation. In the meantime, you should:

- (a) Register at www.siskinds.com/repromed to receive updates and direct notices from Class Counsel about the claims process.
- (b) Keep records related to fertility treatments and expenses related to the destroyed eggs and embryos. If relevant, also keep records of your subsequent fertility treatments and expenses.

F. WHEN IS THE APPROVAL HEARING?

There will be an approval hearing on February 5, 2020 at 10am in the Brampton Courthouse, 7755 Hurontario St., Brampton, ON. At the approval hearing, the Ontario Court will be asked to

determine whether the settlement is fair, reasonable and in the best interests of Settlement Class Members.

At the approval hearing, the Ontario Court will also be asked to approve the Plan of Allocation and Class Counsel's fee request.

Settlement Class Members who do not oppose the proposed settlement need not appear at the settlement approval hearing or take any other action at this time.

G. HOW CAN YOU EXCLUDE YOURSELF (OPT-OUT) FROM THE CLASS ACTION?

Settlement Class Members are not required to take any action at this time. If you take no action at this time, you will be eligible to claim for settlement benefits in the future (if you choose to claim); however, you will not be able to start or continue your own case against the defendants regarding the claims at issue in the class action.

If you do not want to be a member of the class action, you can exclude yourself ("**opt-out**") from the class action by sending a signed letter to the address below stating that you wish to opt-out of the action. The letter must include your full name, current address and telephone number, and the reason for opting-out. Requests to opt-out of the proceedings must be received or post-marked by *[date – 60 days after mailing]*.

[insert address]

If you opt-out of the class action, you will not receive any money from the settlement, but you may be able to commence your own action against the defendants regarding the claims at issue in the class action (assuming you did not release your claim against those defendants).

This is your only chance to opt-out of the class action.

H. HOW CAN YOU OBJECT TO THE SETTLEMENT?

You may object to the proposed settlement, Plan of Allocation, and/or Class Counsel fee request. Settlement Class Members who wish to object must submit a written submission to Class Counsel postmarked no later than January 24, 2019. Class Counsel will forward all objections to the Ontario Court.

All Settlement Class Members are entitled, but are not required, to attend the approval hearing. If you wish to attend the approval hearing or make submissions, please contact Class Counsel for additional details.
