## SETTLEMENT AGREEMENT

Subject to the approval of the Court as provided herein, the Plaintiffs and the Settling Defendants hereby stipulate and agree that, in consideration of the promises and covenants set forth in this Agreement and upon the Approval Order approving the Settlement and directing the implementation of the terms and conditions of the Settlement as set forth in this Agreement becoming final, this Action will be settled and compromised on the terms and conditions contained herein.

### SECTION 1 - RECITALS

#### 1.1 WHEREAS:

A. Mac Killoran commenced this Action in Ontario against the Defendants, and D. Kingsley Snelgrove, by substitution, continued this Action, alleging among other things that Cathay's December 2009 Prospectus and certain of Cathay's secondary securities market disclosure documents, including its audited and unaudited financial statements, were materially misleading.

B. The Settling Defendants have denied and continue to deny all the Plaintiffs' claims in this Action, have vigorously denied any wrongdoing or liability of any kind, or whatsoever, and would have actively and diligently pursued affirmative defences and other defences had this Action not been settled.

C. Based upon an analysis of the facts and law applicable to the issues in this Action, and taking into account the extensive burdens, complexities, risks and expense of continued litigation, including the determination of the Settling Defendants' liability and potential limits thereto, the determination of damages to the Class, any potential appeals, as well as the fair, cost-

effective and assured method of resolving the claims of the Class, and given the Plaintiffs' view that they do not presently have direct evidence of wrongdoing on the part of the Defendants John Duncanson, John Houser, Raymond Lo, Luc Perron and Paul Wong, the Plaintiffs, with the benefit of advice from Class Counsel, concluded that this Agreement is fair and reasonable, and in the best interests of the Class.

D. The Settling Defendants similarly have concluded that this Agreement is desirable in order to avoid the time, risk and expense of continuing with the litigation, including any potential appeals, and any other present or future litigation arising out of the facts that gave rise to this litigation, and to resolve finally and completely the pending claims raised or that could have been raised in this proceeding.

E. The Plaintiffs and the Settling Defendants have engaged in hard-fought arm's length negotiations.

F. The Plaintiffs and the Settling Defendants intend to and hereby do finally resolve this Action and all the claims that were or could have been asserted in the Action against the Settling Defendants and Anthony Ng, subject to the approval of the Court as hereinafter provided, without any admission of liability or wrongdoing whatsoever by the Settling Defendants.

G. The Plaintiff, Snelgrove, asserts that he is a suitable representative for the Class and will seek to be appointed as the representative plaintiff in this Action.

**NOW THEREFORE**, in consideration of the covenants, agreements and releases set forth herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties stipulate and agree that these Minutes of Settlement represent

the agreement between the Parties to resolve and release, fully and finally, in accordance with the terms more particularly set out herein, all Released Claims, and subject to the approval of the Court as provided herein, to obtain an Approval Order that is a Final Order dismissing the Action as against the Settling Defendants and Anthony Ng with prejudice and without costs.

8.3 The Parties agree that the certification of the Action as a class proceeding in accordance with Sections 8.1 and 8.2 hereof is for the sole purpose of effecting the Settlement. In the event that this Agreement is terminated as provided herein, the Certification Order shall be vacated or

set aside as set out herein, and shall be without prejudice to any position that any of the Parties may later take on any issue in the Action including in a subsequent certification motion. In particular, the fact of the Settling Defendants's consent to certification for settlement purposes shall not be referenced in any way in the further prosecution of the Action, nor shall such consent be deemed to be an admission by the Settling Defendants that the Plaintiffs have met any of the requisite criteria for certification of the Action as a class proceeding.

## **SECTION 9 - OPTING OUT**

### **Awareness of any Potential Opt-Outs**

9.1 The Plaintiffs and Class Counsel represent and warrant that:

- (a) they are unaware of any Class Member who has expressed an intention to opt-out of the Class; and
- (b) they will not encourage or solicit any Class Member to opt-out of the Class.

### **Opt-Out Procedure**

9.2 Each Class Member who wishes to exclude themselves from the Class must submit a properly completed Opt-Out Form along with all required supporting documents to Class Counsel on or before the Opt-Out Deadline.

9.3 In order to remedy any deficiency in the completion of the Opt-Out Form, Class Counsel may require and request that additional information be submitted by a Class Member who submits an Opt-Out Form.

9.4 If a Class Member fails to submit a properly completed Opt-Out Form and/or all required supporting documents to Class Counsel or fails to remedy any deficiency by the Opt-Out Deadline, the Class Member shall not have opted out of the Proceeding, subject to any order of the Court to the contrary, and will in all other respects to be subject to, and bound by, the provisions of this Agreement and the releases contained herein.

9.5 The Opt-Out Deadline will not be extended unless the Court orders otherwise.

9.6 Opt-Out Parties will be excluded from any and all rights and obligations arising from the Settlement. Class Members who do not opt-out shall be bound by the Settlement and the terms of this Settlement Agreement regardless of whether the Class Member files a Claim Form or receives compensation from the Settlement.

#### **Notification of Number of Opt-Outs**

9.7 Within fifteen (15) days after the Opt-Out Deadline, Class Counsel shall report to the Court and the Parties the number of Eligible Shares held by each Opt-Out Party, a summary of the information delivered by each Opt-Out Party, and the total number of Eligible Shares held by the Opt-Out Parties.

9.8 Class Counsel shall also provide to Counsel for the Settling Defendants copies of all of the Opt-Out Forms submitted by Opt-Out Parties at the same time as the report in Section 9.7.

### **SECTION 10 – TERMINATION OF THE AGREEMENT**

#### **General**

10.1 This Agreement shall, without notice, be automatically terminated if:

- (a) An order substantially in the form of the Approval Order satisfactory to the Settling Defendants is not granted by the Court; or
- (b) the Approval Order is reversed on appeal and the reversal becomes a Final Order.

10.2 This Agreement shall be terminated if Cathay elects to terminate the Agreement in accordance with Section 10.5 forthwith upon delivery to Class Counsel of the notice of election to terminate contemplated by that Section.

10.3 In the event this Agreement is terminated in accordance with its terms:

- (a) the Parties will be restored to their respective positions prior to the execution of this Agreement;
- (b) the Plaintiffs and the Settling Defendants will consent to an Order vacating or setting aside of any order certifying this Action as a class proceeding for the purposes of implementing this Agreement and such order shall include a declaration that the prior consent certification of this Action for settlement purposes shall not be deemed to be an admission by the Settling Defendants that the Action met any of the criteria for certification as a class action, and no Party to this Action and no other person may rely upon the fact of the prior consent certification order for any purpose whatsoever;
- (c) the Escrow Settlement Amount will be returned to the Settling Defendants' insurer in accordance with Section 10.9(d) hereof;

- (d) this Agreement will have no further force and effect and no effect on the rights of the Parties except as specifically provided for herein;
- (e) all statutes of limitation applicable to the claims asserted in this Action shall be deemed to have been tolled during the period beginning with the execution of this Agreement and ending with the day on which the orders contemplated by Section 10.9 are entered;
- (f) any costs reasonably incurred by the Administrator and paid out of the Escrow Account for performing the services required to prepare to implement this Settlement, and amounts paid for the publication and dissemination of notices are non-recoverable from the Plaintiffs, the Class Members, the Administrator or Class Counsel;
- (g) this Agreement and the consent certification order will not be introduced into evidence or otherwise referred to in any litigation against the Settling Defendants.

10.4 Notwithstanding the provisions of Section 10.3(d), if this Agreement is terminated, the provisions of this Section 10 and Sections 1, 2, 3.7, 3.8, 4.2, 4.8, 4.9, 5.1, 7.1, 7.2, 7.3, 7.5, 8.3, and 15 shall survive termination and shall continue in full force and effect.

**Effect of Exceeding the Opt-Out Threshold, Conditions Precedent and Right to Terminate**

10.5 Notwithstanding any other provision in this Agreement, Cathay may, in its discretion, elect to terminate the Agreement if the total number of Eligible Shares held by Opt-Out Parties exceeds the Opt-Out Threshold, provided that all Settling Defendants elect to terminate and notice of the election to terminate is provided by Counsel for the Settling Defendants to Class

Counsel within twenty (20) days of Class Counsel notifying Counsel for the Settling Defendants of the number of Opt-Outs pursuant to Section 9.7, after which date their right to terminate the Agreement will have expired.

10.6 If the Opt-Out Threshold is not exceeded, Cathay's right to terminate this Agreement pursuant to the provisions of this Section is inoperative and of no force and effect.

10.7 The Opt-Out Threshold shall be stated in the Collateral Agreement signed contemporaneously with the execution of this Agreement. The Collateral Agreement will state the Opt-Out Threshold shall be kept confidential by the Parties and their counsel, and may be shown to the Court solely for purposes of the Settlement Approval Hearing but shall not be otherwise disclosed by the Parties and their counsel, unless disclosure is ordered by the Court or the Settling Defendants provides prior written consent to disclosure.

**Allocation of Monies in the Escrow Account Following Termination**

10.8 The Administrator and/or Class Counsel shall account to the Court and the Parties for the amounts maintained in and disbursed from the Escrow Account. If this Agreement is terminated, this accounting shall be delivered no later than ten (10) days after such termination.

10.9 If this Settlement Agreement is terminated, the Settling Defendants shall, within thirty (30) days after termination, apply to the appropriate Court, on notice to the Plaintiffs and the Administrator, as may be necessary, for an order:

- (a) declaring this Settlement Agreement null and void and of no force or effect except for the provisions listed in Section 10.4;

- (b) determining whether a notice of termination shall be sent out to the Class Members and, if so, the form and method of disseminating such a notice;
- (c) requesting an order setting aside, *nunc pro tunc*, all prior orders or judgments entered by the Court in accordance with the terms of this Agreement, including any order certifying the Action as a class proceedings for the purposes of implementing this Agreement; and
- (d) authorizing the payment of all remaining funds in the Escrow Account, including accrued interest, to the Settling Defendants' insurer.

10.10 Subject to Section 10.11, the Parties shall consent to the orders sought in any motion made by the Settling Defendants pursuant to Section 10.9.

#### **Disputes Relating to Termination**

10.11 If there is any dispute about the termination of this Agreement, the Court shall determine any dispute by motion made by a Party on notice to the other Parties.

#### **No Right to Terminate**

10.12 For greater certainty, no dispute or disagreement among the Plaintiffs and/or members of the Class or any of them about the proposed distribution of the Settlement Amount or the Plan of Allocation shall give rise to a right to terminate this Agreement.

#### **SECTION 11 – DETERMINATION THAT THE SETTLEMENT IS FINAL**

11.1 The Settlement shall be considered final on the Effective Date.

#### **SECTION 12 – RELEASES AND JURISDICTION OF THE COURT**

### **Release of Releasees**

12.1 As of the Effective Date the Releasers forever and absolutely release, waive and forever discharge the Releasees from the Released Claims.

12.2 The Releasers acknowledge that they are aware that they may hereafter discover facts in addition to, or different from, those facts which they know or believe to be true with respect to the Action and the subject matter of this Agreement, and that it is their intention to release fully, finally and forever all Released Claims, and in furtherance of such intention, this release and, subject to the provisions of Section 10, this Agreement, shall be and remain in effect notwithstanding the discovery or existence of any such additional or different facts.

### **No Further Claims**

12.4 As of the Effective Date, the Releasers and Class Counsel shall not now or hereafter institute, continue, maintain or assert, either directly or indirectly, whether in Ontario or elsewhere, on their own behalf or on behalf of any class or any other person, any action, suit, cause of action, claim or demand against any of the Releasees or any other person who may claim contribution or indemnity from any of the Releasees in respect of any Released Claim.

### **Dismissal of the Action**

12.6 As of the Effective Date, this Action shall be dismissed as against the Settling Defendants and Anthony Ng with prejudice and without costs.

### **No Claims in Interim**

12.7 As of the date of this Agreement, Class Counsel do not represent plaintiffs in any other proceeding related to any matter at issue in this Action.

## **SECTION 13 – ADMINISTRATION**

### **Appointment of the Administrator**

13.1 The Court will appoint the Administrator to serve until such time as the Settlement Amount is distributed in accordance with the Plan of Allocation, to implement this Agreement and the Plan of Allocation, on the terms and conditions and with the powers, rights, duties and responsibilities set out in this Agreement and in the Plan of Allocation.

13.2 If the approval of the Settlement becomes final as contemplated by Section 11.1 the Court will fix the Administrator's compensation and payment schedule.

### **Information and Assistance from the Settling Defendants**

13.3 Cathay shall, within five (5) business days of the Effective Date authorize and direct Cathay's transfer agent to deliver an electronic list of the names and addresses of persons who purchased, sold or held Eligible Shares during the Class Period to Class Counsel and the Administrator. Any fees and expenses required to be paid to Cathay's transfer agent so as to accomplish this shall be paid by the Administrator.

13.4 Class Counsel and/or the Administrator may use the information obtained in accordance with Sections 13.3 for the purpose of delivering the Second Notice and for the purposes of administering and implementing this Agreement, the Plan of Notice and the Plan of Allocation.

13.5 Any information obtained or created in the administration of this Agreement is confidential and, except as required by law, shall be used and disclosed only for the purpose of distributing notices and the administration of this Agreement and the Plan of Allocation.

### **Claims Process**

13.6 In order to seek payment from the Settlement Amount, a Class Member must submit a completed Claim Form to the Administrator, in accordance with the provisions of the Plan of Allocation, on or before the Claims Bar Deadline. Class Members shall be bound by the terms of the Settlement regardless of whether they submit a completed Claim Form or receive payment from the Settlement Amount.

13.7 In order to remedy any deficiency in the completion of a Claim Form, the Administrator may require and request that additional information be submitted by a Class Member who submits a Claim Form. Such Class Members shall have until the later of thirty (30) days from the date of the request from the Administrator or the Claims Bar Deadline to rectify the deficiency. Any person who does not respond to such a request for information within this period shall be forever barred from receiving any payments pursuant to the Settlement, subject to any order of the Court to the contrary, but will in all other respects be subject to, and bound by, the provisions of this Agreement and the releases contained herein.

13.8 By agreement between the Administrator and Class Counsel, and on Notice to Counsel for the Settling Defendants, the Claims Bar Deadline may be extended. Class Counsel and the Administrator shall agree to extend the Claims Bar Deadline if, in their opinions, doing so will not adversely affect the efficient administration of the Settlement and it is in the best interests of the Class to do so.

### **Disputes Concerning the Decisions of the Administrator**

13.9 In the event that a Class Member disputes the Administrator's decision, whether in whole or in part, the Class Member may appeal the decision to the Court. The decision of the Court will be final with no right of appeal.

13.10 No action shall lie against Class Counsel or the Administrator for any decision made in the administration of this Agreement and Plan of Allocation without an order from the Court authorizing such an action.

### **Conclusion of the Administration**

13.11 Following the Claims Bar Deadline, and in accordance with the terms of this Agreement, the Plan of Allocation, and such further approval or order of the Court as may be necessary, or as circumstances may require, the Administrator shall distribute net Escrow Settlement Amount to Authorized Claimants.

13.12 No claims or appeals shall lie against Class Counsel or the Administrator based on distributions made substantially in accordance with this Agreement, the Plan of Allocation, or with any other order or judgment of the Court.

13.13 If the Escrow Account is in a positive balance (whether by reason of tax refunds, uncashed cheques or otherwise) after one hundred eighty (180) days from the date of distribution of the Escrow Settlement Amount to the Authorized Claimants, the Administrator shall donate such balance to the Small Investor Protection Association (Canada), *cy pres*.

13.14 Upon the conclusion of the administration, and before distribution of the Escrow Settlement Amount to the Authorized Claimants, the Administrator shall report to the Court on the administration and shall account for all monies it has received, administered and proposes to distribute in accordance with this Agreement and the Plan of Allocation.

## **SECTION 14 – THE FEE AGREEMENT AND CLASS COUNSEL FEES**

### **Motion for Approval of Class Counsel Fees**

Class Counsel are not precluded from making additional applications to the Court for expenses incurred as a result of implementing the terms of the Agreement. All amounts awarded on account of Class Counsel Fees shall be paid from the Settlement Amount.

14.2 The Settling Defendants acknowledge that they are not parties to the motion concerning the approval of Class Counsel Fees, they will have no involvement in the approval process to determine the amount of Class Counsel Fees and they will not take any position or make any submissions to the Court concerning Class Counsel Fees, except as requested and required by the Court. Subject to the foregoing, the Plaintiffs will provide the Settling Defendants with notice of the motion to approve Class Counsel Fees and copies of the materials filed with the Court and the Settling Defendants and their counsel are entitled to attend any motion for approval of Class Counsel Fees.

14.3 The procedure for, and the allowance or disallowance by the Court of any requests for Class Counsel Fees to be paid out of the Settlement Amount are not part of the Settlement provided for herein, except as expressly provided in Section 6.1, and are to be considered by the

Court separately from its consideration of the fairness, reasonableness, and adequacy of the Settlement provided for herein.

14.4 Any order or proceeding relating to Class Counsel Fees, or any appeal from any order relating thereto or reversal or modification thereof, shall not operate to terminate or cancel this Agreement or affect or delay the finality of the Approval Order and the Settlement of this Action provided herein.

**Payment of Class Counsel Fees**

14.5 Forthwith after the Settlement becomes final, as contemplated in Section 11.1, and the time for the Settling Defendants to elect to terminate pursuant to Section 10.5 has expired or the Settling Defendants have waived their collective right to elect to terminate the Agreement, the Administrator shall pay to Class Counsel in trust the Class Counsel Fees approved by the Court from the Escrow Account.

**SECTION 15 – MISCELLANEOUS**

15.2 All motions contemplated by this Agreement shall be on notice to the Parties.

### **Settling Defendants Have No Responsibility or Liability for Administration**

15.3 Except for the obligations in respect of the performance of the obligations under Sections 4.1 and 13.3, the Settling Defendants shall have no responsibility for and no liability whatsoever with respect to the administration or implementation of this Agreement and the Plan of Allocation, including, without limitation, the processing and payment of claims by the Administrator.

15.6 This Agreement shall be governed by and construed and interpreted in accordance with the laws of the Province of Ontario.

15.7 The Parties agree that the Court shall retain exclusive and continuing jurisdiction over this Proceeding, the Parties and Class Members to interpret and enforce the terms, conditions and obligations under this Agreement and the Approval Order.

**PLAN OF ALLOCATION**

(Supplement to the Settlement Agreement, dated August 21, 2013)

**DEFINED TERMS**

1. For the purposes of this Plan of Allocation, the definitions set out in the Settlement Agreement dated August 21, 2013 apply to and are incorporated herein and, in addition, the following definitions apply:
  - (a) “**Acquisition Expense**” means the total monies paid by the Claimant (including brokerage commissions) to acquire Eligible Shares;
  - (b) “**Allocation Pool**” means the Settlement Amount remaining in the Escrow Account after payment of Administration Expenses and Class Counsel Fees. For greater certainty, Allocation Pool includes the after tax amount of any accrued interest income on the Settlement Amount;
  - (c) “**Claimant**” means a Class Member who submits a properly completed Claim Form and all required supporting documentation to the Administrator, on or before the Claims Bar Deadline;

- (d) “**Disposition Proceeds**” means the total proceeds paid to the Claimant (without deducting any commissions paid in respect of the dispositions) in consideration of the sale of all of his/her/its Eligible Shares; provided, however, that with respect to any Eligible Shares that the Claimant continues to hold, they shall be deemed to have been disposed of for nil consideration (i.e., disposed of for CAD \$0.00);
- (e) “**FIFO**” means the principle of first-in, first-out, wherein securities are deemed to be sold in the same order that they were purchased (i.e. the first Shares/Eligible Shares purchased are deemed to be the first Shares/Eligible Shares sold); and which requires, in the case of a Claimant who held Shares at the commencement of the Class Period, that those Shares be deemed to have been sold completely before Eligible Shares are sold or deemed sold;
- (f) “**Net Loss**” means that the Claimant’s Disposition Proceeds are less than the Claimant’s Acquisition Expense; and
- (g) “**Nominal Entitlement**” means an Authorized Claimant’s nominal damages as calculated pursuant to the formulae set forth herein, and which forms the basis upon which each Authorized Claimant’s *pro rata* share of the Allocation Pool is determined.

#### **CALCULATION OF NET LOSS AND NOMINAL ENTITLEMENT**

2. The Allocation Pool will be distributed in accordance with this Plan of Allocation.
3. A Claimant must have sustained a Net Loss in order to be eligible to receive a payment from the Allocation Pool. A Claimant that has not suffered a Net Loss as calculated under this Plan of Allocation will not be entitled to receive any portion of the Allocation Pool.
4. The Administrator shall first determine whether a Claimant has sustained a Net Loss. If the Claimant has sustained a Net Loss, they become an Authorized Claimant, and the Administrator will go on to calculate the Authorized Claimant’s Nominal Entitlement.

5. The Administrator will apply FIFO to distinguish the sale of Shares held at the beginning of the Class Period from the sale of Eligible Shares and will continue to apply FIFO to determine the purchase transactions which correspond to the sale of Eligible Shares.
6. The date of a purchase, sale or deemed disposition shall be the trade date, as opposed to the settlement date of the transaction or the payment date.
7. The Administrator shall account for any splits or consolidations that occur during and after the Class Period, such that Authorized Claimants' holdings for the purposes of the calculations are completed in units equivalent to those traded during the Class Period.
8. The Administrator will use the data, derived from applying FIFO, in the calculation of an Authorized Claimant's Nominal Entitlement according to the formulae below. The formulae reflect the opinion of the Plaintiff's valuation and damages expert, based on certain assumptions (aside from liability).<sup>1</sup>

---

<sup>1</sup> Namely, that:

- (a) Share prices were artificially inflated between November 9, 2009 and February 4, 2011;
- (b) Cathay shareholders who purchased Shares in the Class Period and held those Shares through either or both of December 1, 2010 and February 4, 2011 sustained damages;
- (c) for Shares purchased from November 9, 2009 to and including November 30, 2010 and held through December 1, 2010, damage per Share is equivalent to the artificial inflation of CAD \$0.08 per Share removed on December 1, 2010;
- (d) for Shares purchased on or after December 1, 2010 and held on February 4, 2011, damage per Share is equivalent to notional artificial inflation of CAD \$0.38 per Share that is very likely to have been removed on February 4, 2011 if Shares had continued to trade publicly at that time; and
- (e) for Shares purchased from November 9, 2009 to and including November 30, 2010 and held through both of December 1, 2010 and February 4, 2011, damage per Share is equivalent to the aggregate of the per Share artificial inflation amounts in (c) and (d) above, i.e. damage per Share is CAD \$0.46.

9. An Authorized Claimant's Nominal Entitlement will be calculated as follows:
- I. **No Nominal Entitlement shall be recognized for any Eligible Shares *purchased and disposed of before December 1, 2010;***
  - II. **For Eligible Shares *purchased before December 1, 2010 and disposed of from December 1, 2010 to January 31, 2011*, the Nominal Entitlement shall be the lesser of:**
    - A. an amount equal to the number of Eligible Shares thus disposed of, multiplied by the difference between the volume weighted average price paid for those Eligible Shares (including any commissions paid in respect thereof) and the price per share received upon the disposition of those Eligible Shares (without deducting any commissions paid in respect of the disposition); or
    - B. the sum of the Eligible Shares disposed of multiplied by CAD \$0.08.
  - III. **No Nominal Entitlement shall be recognized for any Eligible Shares *purchased and disposed of between December 1, 2010 and January 31, 2011.***

10. In determining whether a Claimant has sustained a Net Loss and calculating an Authorized Claimant's Nominal Entitlement, transactions in Eligible Shares in any foreign currency shall be converted to Canadian currency, based on the Bank of Canada noon exchange rate between the Canadian dollar and the foreign currency on the date on which the Administrator calculates the Nominal Entitlements of Authorized Claimants. All Nominal Entitlements shall be recorded in Canadian currency.

#### **FINAL DISTRIBUTION**

11. Each Authorized Claimant's actual compensation shall be the portion of the Allocation Pool equivalent to the ratio of his, her or its Nominal Entitlement to the total Nominal Entitlements of all Authorized Claimants multiplied by the Allocation Pool, as calculated by the Administrator.
12. Compensation shall be paid to Authorized Claimants in Canadian currency.
13. The Administrator will not distribute entitlements of less than CAD \$5.00 to Class Members. Such amounts will instead be redistributed *pro rata* to the other Authorized Claimants.
14. The Administrator shall be authorized to distribute the Allocation Pool in accordance with this Plan of Allocation upon having received and reviewed the Claim Forms submitted by the Claims Bar Deadline without further order of the Court.
15. If, one hundred eighty (180) days from the date on which the Administrator distributes the Allocation Pool to Authorized Claimants, the Escrow Account remains in a positive balance (whether due to tax refunds, uncashed cheques, or otherwise), the Administrator shall, if feasible, reallocate such balance among the Authorized Claimants in an equitable

and economic fashion. In the event any such remaining balance is less than CAD \$25,000.00 or less than \$5.00 per Claimant, the Administrator will donate such balance to the Small Investor Protection Association (Canada), *cy pres*.

**COURT APPROVAL OF THE CLASS ACTION SETTLEMENT**

In July 2011 a class proceeding against Cathay and certain of its former directors, including certain of its former executive officers (the "Defendants") was commenced in the Ontario Superior Court of Justice (the "Court"). The Plaintiff alleges that Cathay's December 11, 2009 prospectus and some of Cathay's other disclosures were materially misleading. On September 13, 2013, the Court certified this proceeding as a class action on consent. Certification by the Court is not a decision on the merits of the class action.

On August 21, 2013 the parties to the class action executed a Settlement Agreement (the "Settlement"). The Settlement is subject to the approval of the Court. The Settlement provides for the payment of CAD\$1,900,000 (the "Settlement Amount") in consideration for full and final settlement of the claims of Class Members. The Settlement Amount includes all legal fees, disbursements, taxes and administration expenses. In return for the Settlement Amount, the Defendants receive releases and a dismissal of the class action. The Settlement is a compromise of disputed claims and is not an admission of liability, wrongdoing or fault on the part of any of the Defendants, all of whom have denied, and continue to deny, the allegations against them.

A complete copy of the Settlement Agreement is available on the website of Class Counsel: [www.classaction.ca](http://www.classaction.ca).

On November 22, 2013, the Court approved the Settlement and declared that it is fair, reasonable and in the best interests of the Class Members.

The Court also awarded Class Counsel legal fees, expenses and applicable taxes in the amount of \$● (“Class Counsel Fees”) plus \$● for the reimbursement of amounts spent by Class Counsel in the conduct of the class action. Class Counsel Fees will be deducted from the Settlement Amount before it is distributed to Class Members. Expenses incurred or payable relating to approval, notification, implementation and administration of the Settlement (“Administration Expenses”), will also be paid from the Settlement Amount before it is distributed to Class Members.

All Class Members (as commonly defined in the Settlement) are bound by the terms of the Settlement unless they have already validly excluded themselves from the Action (opted-out). The deadline to opt-out was November 17, 2013.

#### **ADMINISTRATOR**

The Court has appointed NPT RicePoint as the Administrator of the Settlement. The Administrator will, among other things: (i) receive and process the Claim Forms; (ii) make determinations of each Class Member’s eligibility for compensation pursuant to the Plan of Allocation; (iii) communicate with Class Members regarding their eligibility for compensation; and (iv) manage and distribute the Net Settlement Amount. The Administrator can be contacted at:

Telephone: 1-866-432-5534  
Mailing Address: Cathay Forest Products Corp. Securities Litigation  
Claims Administrator  
P.O. Box 3355

Email Address: [cathay@nptricepoint.com](mailto:cathay@nptricepoint.com)  
Website: [www.npricepoint.com](http://www.npricepoint.com)

#### **CLASS MEMBERS’ ENTITLEMENT TO COMPENSATION**

Class Members will be eligible for compensation pursuant to the Settlement if they sustained a Net Loss on their Class Period transactions and if they timely submit a complete Claim Form, including any supporting documentation, with the Administrator. To be eligible for compensation under the Settlement, Class Members must submit their Claim Form postmarked **no later than** ●day, ●, 2014 (the “Claims Bar Deadline”).

The remainder of the Settlement Amount, after deduction of Class Counsel Fees and Administration Expenses (the “Net Settlement Amount”) will be distributed to Class Members in accordance with the Court approved Plan of Allocation.

The Plan of Allocation uses the following definitions, in addition to those contained in the Settlement:

- (a) “**Acquisition Expense**” means the total monies paid by the Claimant (including brokerage commissions) to acquire Eligible Shares;
- (b) “**Allocation Pool**” means the Settlement Amount remaining in the Escrow Account after payment of Administration Expenses and Class Counsel Fees. For greater certainty, Allocation Pool includes the after tax amount of any accrued interest income on the Settlement Amount;
- (c) “**Claimant**” means a Class Member who submits a properly completed Claim Form and all required supporting documentation to the Administrator, on or before the Claims Bar Deadline;
- (d) “**Disposition Proceeds**” means the total proceeds paid to the Claimant (without deducting any commissions paid in respect of the dispositions) in consideration of the sale of all of his/her/its Eligible Shares; provided, however, that with respect to any Eligible Shares that the Claimant continues to hold, they shall be deemed to have been disposed of for nil consideration (i.e., disposed of for CAD \$0.00);
- (e) “**FIFO**” means the principle of first-in, first-out, wherein securities are deemed to be sold in the same order that they were purchased (i.e. the first Shares/Eligible Shares purchased are deemed to be the first Shares/Eligible Shares sold); and which requires, in the case of a Claimant who held Shares at the commencement of the Class Period, that those Shares be deemed to have been sold completely before Eligible Shares are sold or deemed sold;
- (f) “**Net Loss**” means that the Claimant’s Disposition Proceeds are less than the Claimant’s Acquisition Expense; and
- (g) “**Nominal Entitlement**” means an Authorized Claimant’s nominal damages as calculated pursuant to the formulae set forth herein, and which forms the basis upon which each Authorized Claimant’s *pro rata* share of the Allocation Pool is determined.

#### **CALCULATION OF NET LOSS AND NOMINAL ENTITLEMENT**

A Claimant must have sustained a Net Loss in order to be eligible to receive a payment from the Allocation Pool. A Claimant that has not suffered a Net Loss as calculated under the Plan of Allocation will not be entitled to receive any portion of the Allocation Pool.

The Administrator shall first determine whether a Claimant has sustained a Net Loss. If the Claimant has sustained a Net Loss, they become an Authorized Claimant, and the Administrator will go on to calculate the Authorized Claimant’s Nominal Entitlement.

The Administrator will apply FIFO to distinguish the sale of Shares held at the beginning of the Class Period from the sale of Eligible Shares and will continue to apply FIFO to determine the purchase transactions which correspond to the sale of Eligible Shares.

The date of a purchase, sale or deemed disposition shall be the trade date, as opposed to the settlement date of the transaction or the payment date.

The Administrator will use the data, derived from applying FIFO, in the calculation of an Authorized Claimant's Nominal Entitlement according to the formulae below. The formulae reflect the opinion of the Plaintiff's valuation and damages expert, based on certain assumptions (aside from liability).<sup>1</sup>

An Authorized Claimant's Nominal Entitlement will be calculated as follows:

- I. No Nominal Entitlement shall be recognized for any Eligible Shares purchased and disposed of before December 1, 2010;**
- II. For Eligible Shares *purchased before December 1, 2010 and disposed of from December 1, 2010 to January 31, 2011*, the Nominal Entitlement shall be the lesser of:**
  - A. an amount equal to the number of Eligible Shares thus disposed of, multiplied by the difference between the volume weighted average price paid for those Eligible Shares (including any commissions paid in respect thereof) and the price per share received upon the disposition of those Eligible Shares (without deducting any commissions paid in respect of the disposition); or
  - B. the sum of the Eligible Shares disposed of multiplied by CAD \$0.08.
- III. No Nominal Entitlement shall be recognized for any Eligible Shares purchased and disposed of between December 1, 2010 and January 31, 2011.**
- IV. For Eligible Shares *purchased from December 1, 2010 to and including January 31, 2011 and still held on February 4, 2011*, the Nominal Entitlement shall be the lesser of:**

---

<sup>1</sup> Namely, that:

- (a) Share prices were artificially inflated between November 9, 2009 and February 4, 2011;
- (b) Cathay shareholders who purchased Shares in the Class Period and held those Shares through either or both of December 1, 2010 and February 4, 2011 sustained damages;
- (c) for Shares purchased from November 9, 2009 to and including November 30, 2010 and held through December 1, 2010, damage per Share is equivalent to the artificial inflation of CAD \$0.08 per Share removed on December 1, 2010;
- (d) for Shares purchased on or after December 1, 2010 and held on February 4, 2011, damage per Share is equivalent to notional artificial inflation of CAD \$0.38 per Share that is very likely to have been removed on February 4, 2011 if Shares had continued to trade publicly at that time; and
- (e) for Shares purchased from November 9, 2009 to and including November 30, 2010 and held through both of December 1, 2010 and February 4, 2011, damage per Share is equivalent to the aggregate of the per Share artificial inflation amounts in (c) and (d) above, i.e. damage per Share is CAD \$0.46.

- A. an amount equal to the number of Eligible Shares held on February 4, 2011 multiplied by the volume weighted average price paid for those Eligible Shares (including any commissions paid in respect thereof); or
  - B. the sum of Eligible Shares held on February 4, 2011 multiplied by CAD \$0.38.
- V. **For Eligible Shares *purchased before December 1, 2010 and still held on February 4, 2011*, the Nominal Entitlement shall be the lesser of:**
- A. an amount equal to the number of Eligible Shares held on February 4, 2011 multiplied by the volume weighted average price paid for those Eligible Shares (including any commissions paid in respect thereof); or
  - B. the sum of Eligible Shares held on February 4, 2011 multiplied by CAD \$0.46.

In determining whether a Claimant has sustained a Net Loss and calculating an Authorized Claimant's Nominal Entitlement, transactions in Eligible Shares in any foreign currency shall be converted to Canadian currency, based on the Bank of Canada noon exchange rate between the Canadian dollar and the foreign currency on the date on which the Administrator calculates the Nominal Entitlements of Authorized Claimants. All Nominal Entitlements shall be recorded in Canadian currency.

#### **FINAL DISTRIBUTION**

Each Authorized Claimant's actual compensation shall be the portion of the Allocation Pool equivalent to the ratio of his, her or its Nominal Entitlement to the total Nominal Entitlements of all Authorized Claimants multiplied by the Allocation Pool, as calculated by the Administrator.

Compensation shall be paid to Authorized Claimants in Canadian currency.

The Administrator will not distribute entitlements of less than CAD \$5.00 to Class Members. Such amounts will instead be redistributed *pro rata* to the other Authorized Claimants.
