THE OVERVIEW

2. This Plan of Allocation contemplates a determination of eligibility and an allocation and Distribution to each Authorized Claimant of a share of the Compensation Fund calculated

as the ratio of his/her/its Nominal Entitlement to the total Nominal Entitlement of all Authorized Claimants multiplied by the amount of the Compensation Fund.

CALCULATION OF COMPENSATION

Formulae for Calculating Nominal Entitlement

3. The Administrator will apply FIFO to distinguish the sale of Securities held at the beginning of the Class Period from the sale of Qualified Securities, and will continue to apply FIFO to determine the purchase transactions which correspond to the sale of Qualified Securities. The date of sale or disposition shall be the trade date of the transaction. The Administrator will use this data in the calculation of an Authorized Claimant's Nominal Entitlement according to the formulae listed below.
4. An Authorized Claimant's Nominal Entitlement will be calculated as follows:
 - (a) No Nominal Entitlement shall be available for any Qualified Securities disposed of prior to the alleged corrective disclosure, that is, prior to the close of trading on August 9, 2006.
 - (b) For Qualified Securities disposed of during the ten (10) trading day period following the alleged corrective disclosure, that is, on or between August 10, 2006 and August 23, 2006, the Nominal Entitlement shall be an amount equal to the number of Qualified Securities acquired in the Secondary Market and disposed of, multiplied by the difference between the average price paid for those Qualified Securities (including any commissions paid in respect thereof) and the price received upon the disposition of those Qualified Securities (without deducting any commissions paid in respect of the disposition).

- (c) For Qualified Securities disposed of after the ten (10) trading day period following the alleged corrective disclosure, that is, after the close of trading on August 23, 2006, the Nominal Entitlement shall be the lesser of:
- (A) an amount equal to the number of Qualified Securities disposed of, multiplied by the difference between the average price paid for those Qualified Securities (including any commissions paid in respect thereof) and the price received upon the disposition of those Qualified Securities (without deducting any commissions paid in respect of the disposition); and
 - (B) an amount equal to the number of Qualified Securities disposed of, multiplied by the difference between the average price paid for those Qualified Securities (including any commissions paid in respect thereof) and \$6.33, being the 10 trading day average trading price of Imax common shares on the TSX from August 10, 2006 to August 23, 2006.
- (d) For Qualified Securities still held at the time the Claim Form is completed, the Nominal Entitlement shall be an amount equal to the number of Qualified Securities still held, multiplied by the difference between the average price paid for those Qualified Securities (including any commissions paid in respect thereof) and \$6.33, being the 10 trading day average trading price of Imax common shares on the TSX from August 10, 2006 to August 23, 2006.
5. Each Authorized Claimant's actual compensation will be a portion of the Compensation Fund calculated as the ratio of his/her/its Nominal Entitlement to the total Nominal Entitlements of all Authorized Claimants multiplied by the amount of the Compensation Fund.
