SETTLEMENT BENEFITS

Payment of Settlement Amount

- 1.2 Within thirty (30) days of the execution of this Agreement, the Defendants shall pay or cause the Defendants’ insurers to pay to Siskinds, in trust, the Settlement Amount in full

and final settlement of the claims against the Defendants or proposed to be made against the Defendants in the Action.

Settlement Amount to be Held in Trust

- 1.3 Prior to the Effective Date, Siskinds shall maintain an Escrow Account to hold the Settlement Amount in trust for the benefit of the Class.
- 1.4 Siskinds may pay Administration Expenses when they are incurred from the Escrow Settlement Funds while in control of the Escrow Amount.
- 1.5 Within ten (10) days of the Effective Date, Siskinds shall transfer control of the Escrow Account to the Administrator, but before doing so Siskinds may deduct and retain from the Escrow Settlement Funds the Class Counsel Fees approved by the Court.
- 1.6 Upon the transfer of the Escrow Account to the Administrator, the Administrator shall maintain the Escrow Settlement Funds in the Escrow Account under the control of the Administrator and hold the Escrow Settlement Funds in trust as provided for in this Agreement.
- 1.7 Siskinds shall account to the Administrator for all payments made from the Escrow Account prior to the transfer described in section 1.5. In the event this Agreement is terminated, Siskinds or the Administrator, whichever then has control of the Escrow Account, shall deliver an accounting to the Parties no later than ten (10) days after the termination.
- 1.8 Neither Siskinds nor the Administrator shall pay out any of the Escrow Settlement Funds except in accordance with this Agreement.

- 1.9 Any dispute concerning the entitlement to or quantum of expenses incurred in the publication and dissemination of the First Notice or Second Notice, or Administration Expenses paid by Siskinds or the Administrator, shall be dealt with by a application to the Court on notice to the Parties.

Taxes on Interest

- 1.10 Except as expressly provided herein, all interest earned on the Settlement Amount shall accrue to the benefit of the Class and shall become and remain part of the Settlement Amount in the Escrow Account.
- 1.11 Subject to section 1.12, all taxes payable on any interest which accrues on or otherwise in relation to the Escrow Settlement Funds shall be the responsibility of the Plaintiff and the Class. Class Counsel or Administrator, as may later be appropriate, shall be solely responsible to fulfil all tax reporting and payment requirements arising from the Escrow Settlement Funds, including any obligation to report taxable income and make tax payments. All taxes (including interest and penalties) due with respect to the income earned by the Settlement Amount shall be paid from the Escrow Account.
- 1.12 The Defendants shall have no responsibility in any way related to the Escrow Account other than as expressly set out herein, including but not limited to, making any filings relating to the Escrow Account, paying tax on any income earned by the Settlement Amount, or paying any taxes on the monies in the Escrow Account, unless this Agreement is terminated, in which case any interest earned on the Settlement Amount shall be paid to the Defendants who, in such case, shall be responsible for the payment of any taxes on such interest not previously paid by Class Counsel or Administrator.

NO REVERSION

- 1.13 Unless this Agreement is terminated as provided herein, the Defendants shall not be entitled to the repayment of any portion of the Settlement Amount and then only to the extent of and in accordance with the terms provided herein.

DISTRIBUTION OF THE SETTLEMENT AMOUNT

- 1.14 On or after the Implementation Date, the Administrator shall distribute the Settlement Amount in accordance with the following priorities:
- (a) to pay Class Counsel Fees as awarded by the Court (unless the Class Counsel Fees have already been paid to Class Counsel in accordance with section 1.5);
 - (b) to pay any honorarium to the Plaintiff as the Court may decide to award;
 - (c) to pay all of the costs and expenses reasonably and actually incurred in connection with the provision of Notice;
 - (d) to pay all of the Administration Expenses. For greater certainty, the Defendants and Class are excluded from eligibility for any payment of costs and expenses under this subsection;
 - (e) to pay any taxes required by law to be paid to any governmental authority; and
 - (f) to pay a *pro rata* share of the balance of the Settlement Amount to each Authorized Claimant in proportion to the Authorized Claimant's claim as recognized in accordance with the Distribution Protocol; and
 - (g) to the Law Foundation of British Columbia if there shall remain thereafter Escrow Settlement Funds and, in the opinion of the Administrator, it is not feasible to reallocate the remaining Escrow Settlement Funds among the Authorized

Claimants in an equitable and economic fashion in accordance with the Distribution Protocol.

- 1.15 Class Counsel shall propose for approval by the Court a Distribution Protocol in the form attached as **Schedule "I"** or other such form as Class Counsel may advise. The approval of the Distribution Protocol may be considered separately from the approval of the Settlement and is not a condition of the approval of the Settlement itself.

RELEASES

- 1.16 As of the Effective Date, and in consideration of payment of the Settlement Amount, and for other valuable consideration set forth in the Agreement, the Releasers forever and absolutely release the Releasees from the Released Claims.

EFFECT OF SETTLEMENT

No Admissions or Concessions

- 1.17 This Agreement, whether or not it is terminated, anything contained in it, any and all negotiations, discussions, and communications associated with this Agreement, shall not be deemed, construed or interpreted to be:
- (a) an admission or concession by the Defendants or the Underwriters of any fact, fault, omission, wrongdoing or liability, or of the truth of any of the claims or allegations made against the Defendants in the Action or that could have been made in the Action against the Defendants or the Underwriters; or
 - (b) an admission or concession by the Plaintiff, his counsel or the Class of any weakness in the claims of the Plaintiff and the Class or that the consideration to be

given hereunder represents the amount that could or would have been recovered from the Defendants after trial of the Action.

Agreement Not Evidence nor Presumption

1.18 This Agreement, whether or not it is terminated, anything contained in it, any and all negotiations, documents, discussions and proceedings associated with this Agreement, and any action taken to implement this Agreement, shall not be offered or received in the Action should this Agreement be terminated and the Action continues, any pending or future civil, criminal, quasi-criminal, administrative action or disciplinary investigation or proceeding:

- (a) of the validity of any of the claims that have been or could have been asserted in the Action by the Plaintiff against the Defendants or the Underwriters, or the deficiency of any defence that has been or could have been or could be asserted in the Action;
- (b) of wrongdoing, fault, neglect or liability by the Defendants or the Underwriters; or
- (c) against the Plaintiff, his counsel or the Class, as evidence, or a presumption, of a concession or admission:
 - (i) of any weakness in the claims of the Plaintiff and the Class; or
 - (ii) that the consideration to be given hereunder represents the amount that could or would have been recovered from the Defendants or the Underwriters after trial of the Action.

1.19 Notwithstanding section 1.18, this Agreement may be referred to or offered as evidence in order to obtain the orders or directions from the Court contemplated by this Agreement, in

a proceeding to approve or enforce any term of, or dispute under, this Agreement, to defend against the assertion of released claims, or as otherwise required by law.

REQUIRED STEPS

Reasonable Efforts

1.20 The Parties shall take all reasonable steps to effectuate the Settlement and to secure the prompt, complete and final dismissal with prejudice of the Action on a without costs basis as against the Defendants, including cooperating in the Plaintiff's efforts to obtain the approval and orders required from the Court regarding the approval or implementation of the Settlement.

Action in Abeyance

1.21 Until the Effective Date or this Agreement is terminated in accordance with its terms, whichever occurs first, the Plaintiff agrees to hold in abeyance all other steps in the Action as they relate to the Defendants, other than the Approval Application contemplated by this Agreement and such other matters required to implement the terms of this Agreement.

APPROVAL, NOTICE AND OPT-OUT PROCESS

First Order and First Notice

1.22 As soon as practicable after this Agreement is executed, the Plaintiff shall bring an application for the approval of the First Order. The Defendants will consent to the issuance of the First Order.

1.23 The Parties agree that the certification of the Action as a class proceeding is for the sole purpose of effecting the Settlement. In the event that this Agreement is terminated as provided herein, any certification order binding the Defendants shall be vacated or set aside

on consent as set out herein, and shall be without prejudice to any position that either of the Parties may later take on any issue in the Action including in a subsequent certification application. In particular, the fact of the Defendants' consent to certification for settlement purposes shall not be deemed to be an admission that the Plaintiff has met any of the requisite criteria for certification of the Action as a class proceeding.

- 1.24 Following entry of the First Order, the Administrator shall cause the First Notice to be published and distributed in accordance with the Plan of Notice and the direction of the Court. The costs of publishing and distributing the First Notice shall be paid from the Escrow Settlement Funds as and when incurred.
- 1.25 The Administrator shall administer the opt out procedures prescribed by the First Order. No later than seven (7) calendar days after any deadline established by the Court for the delivery of opt out requests, the Administrator shall report to Class Counsel and counsel for the Defendants on the requests made to opt out of the Action.
- 1.26 Class Members who wish to file with the Court an objection or comment on the Settlement, the Distribution Protocol or the request for approval of Class Counsel Fees shall deliver to Class Counsel a written statement in accordance with the terms of, and by the deadline set out in, the First Order.
- 1.27 The Plaintiff represents and warrants that he is not aware of any Class Member who has expressed an intention to opt out of the Settlement or of the Class and that he will not encourage any Class Member to do so.

Approval Application and Second Notice

- 1.28 The Plaintiff will thereafter bring the Approval Application before the Court in accordance with the Court's directions. The Defendants will consent to the issuance of the Second Order.
- 1.29 At the Approval Application, Class Counsel shall propose for approval by the Court the Distribution Protocol or such other plan for distributing the Net Settlement Amount to the Class as Class Counsel may advise. The Distribution Protocol is the responsibility of Class Counsel and the Defendants have no involvement in its design. Accordingly, the approval of the Distribution Protocol shall be considered separately from the approval of the Settlement Agreement and is not a condition of the approval of the Settlement Agreement itself and the dismissal of the Action as against the Defendants without costs and with prejudice in accordance with the Second Order.
- 1.30 The Defendants will take no position or make any submission to the Court concerning the Distribution Protocol, except as requested or required by the Court.
- 1.31 The Defendants will not oppose the issuance of the Third Order.
- 1.32 The Plaintiff may make any amendments to the Distribution Protocol, the Third Order, the Second Notice or the Plan of Notice as it relates to Second Notice requested or directed by the Court.
- 1.33 Following the Implementation Date, the Administrator shall cause the Second Notice to be published and disseminated in accordance with the Plan of Notice as approved by the Court. The costs of publishing the Second Notice shall be paid from the Escrow Settlement Funds as and when incurred.

OTHER APPLICATIONS

Application for Approval of Class Counsel Fees

- 1.34 Immediately following or in parallel with the Approval Application, Class Counsel may seek the approval of Class Counsel Fees to be paid as a first charge on the Settlement Amount.
- 1.35 The Defendants acknowledge that they are not parties to the application concerning the approval of Class Counsel Fees, they will have no involvement in the approval process to determine the amount of Class Counsel Fees, and they will not take any position or make any submissions to the Court concerning Class Counsel Fees, except as requested and required by a Court.
- 1.36 The procedure for and the allowance or disallowance by the Court of any requests for Class Counsel Fees to be paid out of the Settlement Amount are not part of the Settlement provided for herein, except as expressly provided in section 1.14, and are to be considered by the Court separately from its consideration of the fairness, reasonableness, and adequacy of the Settlement provided for herein. For clarity, approval of the Settlement is not dependent on approval of any Class Counsel Fees.
- 1.37 Any order or proceeding relating to Class Counsel Fees, or any appeal from any order relating thereto or reversal or modification thereof, shall not operate to terminate or cancel this Agreement or affect or delay the finality of the Second Order and the Settlement of this Action provided herein.

Application for Approval of Honorarium

- 1.38 Immediately following or in parallel with the Approval Application, Class Counsel may seek orders from the Court relating to the payment of an honorarium to the Plaintiff.

- 1.39 The Defendants acknowledge that they are not parties to any application concerning the payment of an honorarium to the Plaintiff, they will have no involvement in any such application, and they will not take any position or make any submissions to the Court concerning any such application, except as requested and required by a Court.
- 1.40 Any order or proceeding relating to payment of an honorarium to the Plaintiff, or any appeal from any order relating thereto or reversal or modification thereof, shall not operate to terminate or cancel this Agreement or affect or delay the finality of the Second Order and the Settlement of this Action provided herein.

ADMINISTRATION

Appointment of the Administrator

- 1.41 By order of the Court, the Administrator will be appointed to serve until such time as the Escrow Settlement Funds are distributed in accordance with this Agreement and the Distribution Protocol, on the terms and conditions and with the powers, rights, duties and responsibilities set out in this Agreement and in the Distribution Protocol.

Information and Assistance from the Defendants

- 1.42 The Defendants shall, forthwith upon entry of the First Order, use reasonable efforts to deliver or cause to be delivered to the Administrator an electronic list of all persons who acquired Private Placement Units, along with email addresses or other contact information for those persons as may be available to facilitate the delivery of notice to those persons.
- 1.43 The Administrator may use the information obtained under section 1.42 for the purpose of delivering the First Notice and Second Notice and for the purposes of administering and implementing this Agreement, the Plan of Notice and the Distribution Protocol, but the

Administrator shall otherwise keep confidential the information obtained under section 1.42.

- 1.44 For greater certainty, any information obtained or created in the administration of this Agreement is confidential and, except as required by law, shall be used and disclosed only for the purpose of distributing notices and the administration of this Agreement and the Distribution Protocol.

TERMINATION

Automatic Termination

- 1.45 This Agreement shall, without notice, be automatically terminated if:
- (a) on the return of the Approval Application, the Court issues an order that is not substantially in the form of the Second Order, and such order becomes a final order;
 - or
 - (b) the Second Order is reversed on appeal and the reversal becomes a final order.
- 1.46 The Defendants shall have the right to terminate this Agreement within 14 days, or on a later date on the consent of the Parties, of being notified by the Administrator that the number of Eligible Securities of Opt Out Parties exceeds the Opt Out Threshold. The Administrator shall notify the Defendants of the number of Eligible Securities of Opt Out Parties and such particulars provided by such Opt Out Parties in support of their request to exclude themselves from the Class in accordance with the terms of the First Order and the First Notice.
- 1.47 The right to terminate this Agreement contemplated by section 1.46 may be exercised by any one or more of the Defendants notifying Siskinds in writing of his, her or their intention

to terminate the Agreement, which notification shall have the effect of terminating this Agreement for all Defendants.

- 1.48 The Opt Out Threshold shall be stated in the Collateral Agreement executed contemporaneously with the execution of this Agreement. The Opt Out Threshold shall be redacted in the Collateral Agreement that is filed with the Court or otherwise made available to the public. The Collateral Agreement, without redaction of the Opt Out Threshold, shall not be published and shall be kept confidential by the parties unless the Court orders its publication or disclosure.

Effect of Termination

- 1.49 In the event this Agreement is terminated in accordance with its terms:
- (a) the Parties will be restored to their respective positions prior to the execution of this Agreement;
 - (b) the Plaintiff and Defendants will consent to an order vacating or setting aside any order certifying this Action as a class proceeding for the purposes of implementing this Agreement and certification of this Action for settlement purposes shall not be deemed to be an admission by the Defendants that the Action met any of the criteria for certification, and that no party to this Action and no other person may rely upon the fact of the prior consent to the certification order for any purpose whatsoever;
 - (c) the Escrow Settlement Funds will be returned to the Defendants;
 - (d) this Agreement will have no further force or effect and no effect on the rights of the Parties except as specifically provided for herein;

- (e) all statutes of limitation applicable to the claims asserted in the Action shall be deemed to have been tolled during the period beginning with the execution of this Agreement and ending with Order described in section 1.51;
- (f) any costs reasonably incurred by Class Counsel and paid out of the Escrow Account for the publication and dissemination of notices are non-recoverable from the Plaintiff, the Class Members and Class Counsel, except by way of any costs order that may be made in favour of the Defendants in the Action; and
- (g) this Agreement and the First Order will not be introduced into evidence or otherwise referred to in any litigation against the Defendants.

1.50 Notwithstanding the provisions of section 1.49(d), if this Agreement is terminated, the provisions of this section 1.50, and sections 1.1, 1.7, 1.8, 1.9, 1.11, 1.12, 1.13, 1.17, 1.18, 1.19, and 1.51 to 1.71 shall survive termination and shall continue in full force and effect.

Steps Required on Termination

- 1.51 If this Agreement is terminated, the Defendants shall, within thirty (30) days after termination, apply to the Court, on notice to the Plaintiff, for an order:
- (a) declaring this Agreement null and void and of no force or effect except for the provisions of those sections listed in section 1.50;
 - (b) requesting an order setting aside, *nunc pro tunc*, all prior orders or judgments entered by the Court in accordance with the terms of this Agreement, including any order certifying the Action as a class proceeding for the purposes of implementing this Agreement; and

(c) authorizing the payment of the Escrow Settlement Funds, including accrued interest, to the Defendants.

1.52 Subject to section 1.53, the Plaintiff shall consent to the orders sought in any application made by the Defendants under section 1.51.

Notice of Termination

1.53 If this Agreement is terminated, a notice of the termination will be given to the Class. Class Counsel will cause the notice of termination, in a form approved by the Court, to be published and disseminated as the Court directs.

APPENDIX "2"

DISTRIBUTION PROTOCOL

This Distribution Protocol should be read in conjunction with the Settlement Agreement dated November 24, 2021 (“**Settlement Agreement**”).

DEFINED TERMS

1. Unless otherwise defined herein, capitalized terms used are as defined in the Settlement Agreement. In addition, the following definitions apply to this Distribution Protocol:
 - (a) **Acquisition Expense** means the price per security paid by a Claimant (including brokerage commissions) to acquire an Eligible Security;
 - (b) **Claimant** means a Class Member who submits a properly completed Claim Form and all required supporting documentation to the Administrator on or before the Claims Bar Deadline;
 - (c) **Claims Bar Deadline** means 11:59pm Vancouver (Pacific) time on the date that is one hundred and eighty (180) calendar days after the date on which the First Notice is first published or such other date as may be fixed by the Court;
 - (d) **Disposition Proceeds** means the price per security actually received by a Claimant on the disposition of an Eligible Security, without deducting any commissions paid in respect of the disposition;
 - (e) **FIFO** means “first in, first out”, whereby for the purpose of determining Claimants’ Notional Entitlement, securities are deemed to be sold in the same order that they were purchased (e.g. the first Eligible Securities purchased by a Claimant are deemed to be the first Eligible Securities sold); and

- (f) **Notional Entitlement** means an Authorized Claimant's notional damages as calculated pursuant to the formulae set forth in this Distribution Protocol, which forms the basis upon which each Authorized Claimant's *pro rata* share of the Net Settlement Amount is determined.

OBJECTIVE

2. The objective of this Distribution Protocol is to equitably distribute the Net Settlement Amount among Authorized Claimants.

CALCULATION OF NOTIONAL ENTITLEMENT

3. The Net Settlement Amount will be distributed in accordance with this Distribution Protocol.
4. The Administrator shall apply FIFO to determine the purchase transactions that correspond to the sale of Eligible Securities, including in the calculation of an Authorized Claimant's Notional Entitlement.
5. The Administrator shall first determine a Claimant's Notional Entitlement. If the Claimant has a Notional Entitlement greater than zero, they become an Authorized Claimant, and the Administrator will go on to calculate the Authorized Claimant's monetary compensation. A Claimant must have a Notional Entitlement greater than zero in order to be eligible to receive a payment from the Net Settlement Amount.
6. Transfers of Reliq securities between accounts belonging to the same Claimant will not be taken into account in determining a Claimant's Notional Entitlement.
7. The date of a purchase or sale shall be the trade date of the transaction, as opposed to the settlement date of the transaction or the payment date.

8. An Authorized Claimant's Notional Entitlement will be calculated as follows:
- (a) **No Notional Entitlement shall be recognized for any Eligible Securities disposed of before the close of trading on the TSX Venture Exchange on October 15, 2018.**

Reliq Common Shares

- (b) **For each Reliq common share acquired from and including February 23, 2018 to and including October 15, 2018 and disposed of between October 16, 2018 and October 29, 2018, the Notional Entitlement shall be the difference between the Acquisition Expense and the Disposition Proceeds.**
- (c) **For each Reliq common share acquired from and including February 23, 2018 to and including October 15, 2018 and disposed of on or after October 30, 2018, the Notional Entitlement shall be the lesser of (A) and (B):**
- A. the difference between the Acquisition Expense and the Disposition Proceeds; and**
- B. the difference between the Acquisition Expense and CAD\$0.49.**
- (d) **For each Reliq common share acquired from and including February 23, 2018 to and including October 15, 2018 and not yet disposed of, the Notional Entitlement shall be the difference between the Acquisition Expense and CAD\$0.49.**

Private Placement Units

- (e) **There shall be no Notional Entitlement for a Private Placement Unit where the Reliq common share acquired as part of the Private Placement Unit was**

disposed of before the close of trading on the TSX Venture Exchange on October 15, 2018.

- (f) For each Private Placement Unit, where the Reliq common share acquired as part of the Private Placement Unit was disposed of between October 16, 2018 and October 29, 2018, the Notional Entitlement shall be the difference between CAD\$1.12 and the Disposition Proceeds for the common share, multiplied by 0.80.
 - (g) For each Private Placement Unit, where the Reliq common share acquired as part of the Private Placement Unit was disposed of on or after October 30, 2018, the Notional Entitlement shall be the lesser of (A) and (B):
 - A. the difference between CAD\$1.12 and the Disposition Proceeds for the common share, multiplied by 0.80; and
 - B. CAD\$0.50 (calculated as the difference between CAD\$1.12 and CAD\$0.49, being CAD\$0.63, multiplied by 0.80).
 - (h) For each Private Placement Unit, where the Reliq common share acquired as part of the Private Placement Unit has not yet been disposed of, the Notional Entitlement shall be CAD\$0.50 (calculated as the difference between CAD\$1.12 and CAD\$0.49, being CAD\$0.63, multiplied by 0.80).
9. Reliq common shares acquired through the exercise of a Reliq common share purchase warrant that was acquired as part of the Private Placement Units in the private placement that closed on or around January 9, 2018 shall be deemed not to be Eligible Securities.
10. Where a Claimant acquired Eligible Securities through the exercise of a Reliq common share purchase warrant that was not acquired as part of the Private Placement Units in the

private placement that closed on or around January 9, 2018, the Acquisition Expense for those Eligible Securities so acquired shall be equivalent to the total monies paid to exercise or convert the common share purchase warrants per Eligible Security. For greater certainty, where Eligible Securities were issued to a Claimant without any further monies having been paid for the exercise or conversion of the share purchase warrants, the Administrator shall treat any such Eligible Securities as having an Acquisition Expense of zero.

CALCULATION OF MONETARY COMPENSATION AND DISTRIBUTION

11. Each Authorized Claimant's actual compensation shall be the portion of the Net Settlement Amount equivalent to the ratio of his, her or its Notional Entitlement to the total Notional Entitlements of all Authorized Claimants multiplied by the Net Settlement Amount, as calculated by the Administrator.
12. Compensation shall be paid to Authorized Claimants in Canadian currency.
13. If, one hundred eighty (180) days from the date on which the Administrator distributes the Net Settlement Amount to Authorized Claimants, the Escrow Account remains in a positive balance (whether due to tax refunds, uncashed cheques, or otherwise), the Administrator shall, if feasible, reallocate such balance among the Authorized Claimants in an equitable and economic fashion. If, in the opinion of the Administrator, it is not feasible to reallocate any remaining balance among the Authorized Claimants in an equitable and economic fashion, such balance shall be distributed to the Law Foundation of British Columbia.
14. By agreement between the Administrator and Class Counsel, any deadline contained in this Distribution Protocol may be extended. Class Counsel and the Administrator shall agree to extend a deadline(s) if, in their opinions, doing so will not adversely affect the efficient administration of the Settlement and it is in the best interests of the Class to do so.

CLAIMS PROCESS

15. In order to seek payment from the Settlement Amount, a Class Member shall submit a completed Claim Form to the Administrator on or before the Claims Bar Deadline.
16. The Administrator shall review each Claim Form and verify that the Claimant is eligible for compensation from the Net Settlement Amount, as follows:
 - (a) for a Claimant claiming as a Class Member, the Administrator shall be satisfied that the Claimant is a Class Member;
 - (b) for a Claimant claiming on behalf of a Class Member or a Class Member's estate, the Administrator shall be satisfied that:
 - A. the Claimant has authority to act on behalf of the Class Member or the Class Member's estate in respect of financial affairs;
 - B. the person or estate on whose behalf the claim was submitted was a Class Member; and
 - C. the Claimant has provided all supporting documentation required by the Claim Form or alternative documentation acceptable to the Administrator.
17. The Administrator shall ensure that only claims for compensation in respect of Eligible Securities in the Claim Form are approved.
18. If, for any reason, a Claimant is unable to complete the Claim Form then it may be completed by the Claimant's personal representative or a member of the Claimant's family duly authorized by the Claimant to the satisfaction of the Administrator.

IRREGULAR CLAIMS

19. The claims process is intended to be expeditious, cost effective and “user friendly” to minimize the burden on Claimants. The Administrator shall, in the absence of reasonable grounds to the contrary, assume Claimants to be acting honestly and in good faith. The Administrator shall use email for correspondence with Claimants to the maximum extent possible.
20. Where a Claim Form contains minor omissions or errors, the Administrator shall correct such omissions or errors if the information necessary to correct the error or omission is readily available to the Administrator.
21. In order to remedy any deficiency in the completion of a Claim Form, the Administrator may require and request that additional information be submitted by a Class Member who submits a Claim Form. Such Class Members shall have until the later of sixty (60) days from the date of the request from the Administrator or the Claims Bar Deadline to rectify the deficiency. Any person who does not respond to such a request for information within this period shall be forever barred from receiving any payments pursuant to the Settlement, subject to any order of the Court to the contrary, but will in all other respects be subject to and bound by the provisions of the Settlement Agreement and the releases contained therein.
22. The claims process is also intended to prevent fraud and abuse. If, after reviewing any Claim Form, the Administrator believes that the claim contains unintentional errors which would materially exaggerate the Notional Entitlement of the Claimant, then the Administrator may disallow the claim in its entirety or make such adjustments so that an appropriate Notional Entitlement is allocated to the Claimant. If the Administrator believes

that the claim is fraudulent or contains intentional errors which would materially exaggerate the Notional Entitlement of the Claimant, then the Administrator shall disallow the claim in its entirety.

23. Where the Administrator disallows a claim in its entirety, the Administrator shall send to the Claimant, at the email or postal address provided by the Claimant or the Claimant's last known email or postal address, a notice advising that the claim has been disallowed and that the Claimant may request the Administrator to reconsider its decision. For greater certainty, a Claimant is not entitled to a notice or a review where a claim is allowed but the Claimant disputes the amount of his, her or its Notional Entitlement or his, her or its individual compensation.
24. Any request for reconsideration must be received by the Administrator within 45 days of the date of the notice advising of the disallowance. If no request is received within this time period, the Claimant shall be deemed to have accepted the Administrator's determination and the determination shall be final and not subject to further review by any court or other tribunal.
25. Where a Claimant files a request for reconsideration with the Administrator, the Administrator shall advise Class Counsel of the request and conduct an administrative review of the Claimant's complaint.
26. Following its determination in an administrative review, the Administrator shall advise the Claimant of its determination. In the event the Administrator reverses a disallowance, the Administrator shall send the Claimant, at the email or postal address provided by the Claimant or the Claimant's last known email or postal address, a notice specifying the revision to the Administrator's disallowance.

27. The determination of the Administrator in an administrative review is final and is not subject to further review by any court or other tribunal.
28. Any matter not referred to above shall be determined by analogy by the Administrator in consultation with Class Counsel.
29. No action shall lie against Class Counsel or the Administrator for any decision made in the administration of the Settlement Agreement and the Distribution Protocol without an order from a Court authorizing such an action.

APPENDIX "4"

SECOND NOTICE – SHORT FORM

RELIQ HEALTH TECHNOLOGIES INC. SECURITIES CLASS ACTION

Did you acquire securities of Reliq Health Technologies Inc. between February 23, 2018 and October 15, 2018 (inclusive) or acquire units in the Reliq private placement that closed around January 9, 2018?

A settlement has been reached in a class action against Reliq Health Technologies Inc. ("Reliq") and certain of its current and former officers and directors. The class action alleges that there were misrepresentations in certain of Reliq's public disclosures and in documents provided to investors to solicit their investment in a private placement that closed on or around January 9, 2018.

The settlement provides for payments by the defendants in the class action and their insurers of the total amount of CAD\$2,500,000 to resolve those claims. The settlement is a compromise of disputed claims and is not an admission of liability or wrongdoing by Reliq or any of the other defendants.

The settlement has been approved by the Supreme Court of British Columbia.

For more information about your rights and how to exercise them, see the long-form notice and other information available online at [webpage created by the Administrator] or contact the Administrator at:

APPENDIX "5"

SECOND NOTICE – LONG FORM

RELIQ HEALTH TECHNOLOGIES INC. SECURITIES CLASS ACTION

NOTICE OF SETTLEMENT APPROVAL

Read this notice carefully. It may affect your legal rights.

You may have to take prompt action.

This notice is directed to: All persons, wherever they may reside or be domiciled, other than Excluded Persons (as defined below), who:

(i) acquired securities of Reliq Health Technologies Inc. (“**Reliq**”) from and including February 23, 2018 to and including October 15, 2018; or

(ii) acquired units consisting of one common share of Reliq and one-half of a common share purchase warrant (with each common share purchase warrant exercisable to acquire one common share of Reliq at an exercise price of \$1.75 per common share) (“**Private Placement Units**”) in Reliq’s private placement of 8,928,571 Private Placement Units at a price of \$1.12 per Private Placement Unit that closed on or around January 9, 2018.

(collectively, “**Class**” or “**Class Members**”).

Important Deadline to File a Claim for Compensation:

Claims Bar Deadline (to file a claim for compensation): 11:59pm Vancouver (Pacific) time on [date]

Purpose of this Notice:

The purpose of this notice is to advise Class Members of the approval of the settlement of the class proceeding brought on behalf of Class Members.

The Action and Class Certification

In 2019, a class proceeding (“**Action**”) was commenced in the Supreme Court of British Columbia (“**Court**”) against Reliq, Lisa Crossley, Aman Thindal, Giancarlo De Lio, Eugene Beukman, and Brian Storseth (collectively, “**Individual Defendants**”). An application was subsequently filed to add Canaccord Genuity Corp. and Gravititas Securities Inc. (“**Underwriters**”) as defendants, but that application had not been heard prior to the settlement being reached.

The action alleges that the Defendants misrepresented the number of paying patients using Reliq’s iUGO Platform and its related financial results. The Action alleges that the misrepresentations were corrected by a news release issued by Reliq on October 16, 2018. In that news release, Reliq disclosed, among other things, that it had decided to restate certain financial information reported

for Q3 2018. It is further alleged that following that disclosure Reliq's share price declined significantly, causing damage to the Class Members.

On [date], the Court certified the Action as a class action for settlement purposes on behalf of the Class defined above. Excluded Persons means (i) the Defendants; (ii) Reliq's past and present subsidiaries, affiliates, officers, directors, senior employees, partners, legal representatives, heirs, predecessors, successors and assigns; (iii) any member of the Individual Defendants' families; and (iv) the Underwriters and their past and present subsidiaries, affiliates, officers, directors, senior employees, partners, legal representatives, heirs, predecessors, successors and assigns.

Settlement Approval

On November 24, 2021, the Plaintiff and Defendants executed a Settlement Agreement providing for the settlement of the Action ("**Settlement**"), which is subject to approval by the Court. The Settlement Agreement provides for the payment of CAD\$2,500,000 ("**Settlement Amount**") in consideration of the full and final settlement of the claims of Class Members. The Settlement Amount includes all legal fees, disbursements, taxes and administration expenses.

The Settlement provides that the claims of all Class Members asserted or which could have been asserted in the Action will be fully and finally released, and the Action will be dismissed. The Settlement is not an admission of liability, wrongdoing or fault on the part of the Defendants, all of whom have denied, and continue to deny, the allegations against them.

On [date], the Supreme Court of British Columbia approved the Settlement and ordered that it be implemented in accordance with its terms.

The Court also awarded Siskinds LLP and Mathew P Good Law Corporation ("**Class Counsel**") total legal fees, expenses and applicable taxes in the amount of CAD\$[amount] inclusive of disbursements of CAD\$[amount], plus HST, GST and/or PST ("**Class Counsel Fees**"). As is customary in such cases, Class Counsel conducted the class action on a contingent fee basis. Class Counsel was not paid as the matter proceeded and funded the expenses of conducting the litigation. Class Counsel Fees will be deducted from the Settlement Amount before it is distributed to Class Members.

Expenses incurred or payable relating to approval, notification, implementation and administration of the Settlement ("**Administration Expenses**") will also be paid from the Settlement Amount before it is distributed to Class Members.

The Court also approved the payment of an honorarium to the Plaintiff in the amount of CAD\$[amount]. The honorarium will be deducted from the Settlement Amount before it is distributed to Class Members.

Class Members' Entitlement to Compensation

Pursuant to the Court order approving the Settlement, claims of Class Members which were or could have been asserted in the Action are now released and the Action has been dismissed. Class Members may not pursue individual or class actions for those claims, regardless of whether or not they submit a claim for compensation from the Settlement. **The Settlement therefore represents**

the only means of compensation available to Class Members in respect of the claims raised in the Action.

For instructions on how to submit a claim for compensation from the Settlement, refer to the previously-issued notice of certification and settlement approval hearing, which is available at [website to be created by administrator]. To be eligible for compensation under the Settlement, your Claim Form must be postmarked or received by the Administrator by **no later than 11:59pm Vancouver (Pacific) time on [date]**.

After deduction of Class Counsel Fees, Administration Expenses and the approved honorarium, the balance of the Settlement Amount ("**Net Settlement Amount**") will be distributed to Class Members in accordance with the Distribution Protocol approved by the Court.

The proposed Distribution Protocol provides that in order to determine the individual entitlements of Class Members who make claims, the losses of each claimant will be calculated in accordance with a formula based on the statutory damages provisions contained in the securities legislation of British Columbia. Once the notional losses of all Class Members who have filed valid claims have been calculated, the Net Settlement Amount will be allocated to those Class Members in proportion to their percentage of the total notional losses calculated for all valid claims filed. Because the Net Settlement Amount will be distributed *pro rata*, it is not possible to estimate the individual recovery of any individual Class Member until all the claims have been received and reviewed.

In the event any amounts remain undistributed 180 days after the distribution of the Net Settlement Amount (because of uncashed cheques or for other administrative reasons), those amounts will be distributed to eligible Class Members (if sufficient to warrant a further distribution) or distributed to the Law Foundation of British Columbia.

Copies of the Settlement Documents

Copies of the Settlement Agreement, the Distribution Protocol and other documents relating to the Settlement may be found on the Administrator's website, Class Counsel's website or by contacting the Administrator or Class Counsel using the contact information provided in this notice.
