

## RELIQ HEALTH TECHNOLOGIES INC. SECURITIES CLASS ACTION

**Did you acquire securities of Reliq Health Technologies Inc. between February 23, 2018 and October 15, 2018 (inclusive) or acquire units in the Reliq private placement that closed around January 9, 2018?**

A settlement has been reached in a class action against Reliq Health Technologies Inc. (“Reliq”) and certain of its current and former officers and directors. The class action alleges that there were misrepresentations in certain of Reliq’s public disclosures and in documents provided to investors to solicit their investment in a private placement that closed on or around January 9, 2018.

The settlement provides for payments by the defendants in the class action and their insurers of the total amount of CAD\$2,500,000 to resolve those claims. The settlement is a compromise of disputed claims and is not an admission of liability or wrongdoing by Reliq or any of the other defendants.

The settlement has been approved by the Supreme Court of British Columbia.
