About

As an associate in Siskinds' London office, Andrew focuses his practice on providing legal services to businesses involved in the manufacture and distribution of goods and services via franchising, licensing, distribution, and multi-level marketing. He enjoys working for all sorts of clients from small or new businesses, to large multinational businesses looking to expand their operations.

Andrew moved to London to attend Western University for post-secondary studies, where he became the first student to enter the combined B.A./J.D. program between Political Science and Law. At Western, Andrew was actively involved in a variety of mock advocacy activities, extracurricular activities and intramurals.
