---

Dawn serves as Siskinds' E-Discovery Counsel and practices in the class action department.

Called to the Bar of Ontario, 1999

### About

Dawn has been a member of the class action department since joining Siskinds in 1997. Her practice focuses on E-Discovery where she provides counsel on issues arising at every stage of litigation from preservation to delivery. Dawn manages all of Siskinds LLP document review projects.

Dawn has represented thousands of breast implant clients over the years and has been a member of the counsel team on several large product liability and medical device class actions.
