Education

- Relativity Certified Administrator (RCA)
- Project Management Institute, Project Management Professional (PMP)
- Western University, Professional Certificate in Project Management
- Fanshawe College, Law Clerk

About

Sylvia brings her experience as a member of the class actions and commercial litigation departments and her passion for project management to the eDiscovery team.

Sylvia and the team deliver cost effective solutions to clients and litigation teams by utilizing project management methodologies, while constantly looking for innovative ways to manage the discovery process and other legal projects.

Outside of the office, Sylvia enjoys hiking with her family and summer days on the water.
