Victoria practices personal injury law. She works diligently to protect her clients' legal interests so that they can focus on healing.

Education

Western University, Juris Doctor

McMaster University, Honours Bachelor of Science

Called to the Bar in 2020

About

Victoria is an associate in Siskinds' Personal Injury Group. She provides top-quality legal services to her clients in the Sarnia-London areas by prioritizing clarity and accessibility when explaining legal options to her clients. Victoria specializes in motor vehicle accidents, slip and falls, and disability claims.

Victoria attended Western Law, where she worked and volunteered in the legal clinic. In addition to her academics and advocacy, Victoria competed as a varsity fencer for the Western Fencing Team.

Outside of work, Victoria volunteers as the Co-President of the Brain Injury Association Sarnia Lambton and as a board member at Rebound Sarnia Lambton. She continues to enjoy athletics and plays volleyball and ultimate frisbee in the evenings.
