About

Vivian is a lawyer in the business and financial services group at Siskinds. Her practice focuses on mergers & acquisitions and financing transactions. Vivian represents businesses at all stages, whether it be an acquisition, sale, reorganization or start-up, and has acted for organizations across many industries, including technology, manufacturing, retail, finance and insurance.

Prior to joining Siskinds, Vivian served as in-house counsel to the Canadian operations of a global organization. She applies the knowledge and skills acquired in both corporate and legal worlds to effectively advise her clients.

Vivian earned both her Canadian and American law degrees in three years, and was the recipient of the International Business Transactions Award of Excellence.
